CrisisGo Enters into Agreement with The Interlocal Purchasing System (TIPS)

St. Louis, Missouri: CrisisGo, Inc. has been awarded a vendor contract for Notification Systems by The Interlocal Purchasing System (TIPS), a government cooperative purchasing program authorized by the Region 8 Education Service Center in Texas.

Now, organizations that are a member of TIPS have an efficient purchasing process for the CrisisGo digital safety and crisis response platform. TIPS members simply review the current TIPS contract awards on the TIPS website and can select CrisisGo from the list of awarded vendors in the Notification Systems contract category.

For public education organizations, higher education entities, and city or county governments, membership in a purchasing cooperative offers the following benefits:

- Access to competitively procured contracts with quality vendors
- Savings of time and financial resources necessary to fulfill bid requirements
- Assistance with purchasing process by qualified TIPS staff
- Access to pricing based on a “national” high-profile contract

All TIPS contracts are awarded by the ESC 8 seven-member Board of Directors, and each TIPS vendor has met strict [Competitive Bidding Process](#) guidelines established by the ESC 8 administration and the TIPS legal team.

“CrisisGo is appreciative of our contract with TIPS,” said Bill Reynolds, Vice President of Sales for CrisisGo. “We look forward to working with TIPS members to further the mission of improved student safety and school security through communication with notification systems.”

About TIPS

The Interlocal Purchasing System, better known as, TIPS Purchasing Cooperative, began in 2002 as a small regional cooperative of the Region 8 Education Service Center. While the cooperative has far exceeded the initial vision, Region 8 ESC has maintained its role as the Lead Agency for what is now a national operation. Region 8 ESC is governed by a seven-member Board of Directors, elected by local school board members; and an Executive Director, appointed by the Board of Directors, with approval of the Commissioner of Education.
