

GATEWAY PLAYGROUP

ABOUT US

As a member of Playgroups Victoria, we are a community based playgroup run by Gateway Church Seaford who cater for families with children between 0 – 4 years of age.

Playgroup is a unique and invaluable experience for both parent and child that enriches lives through the building of relationships and community.

WHAT WE PROVIDE

We are committed to providing families in our local community with a quality and caring environment where families can spend time together away from normal home routines and pressures.

Children participate in a variety of interactive play experiences while parents can take time to connect with other families in a relaxed and friendly environment.

OUR PROGRAM

With a balance of indoor and outdoor activities, we cater for the different ages and abilities of every child attending.

Activities include:

- Theme based craft activities
- Free play
- Messy play
- Creative experiences
- Cognitive play
- Dramatic play
- Physical and Gross Motor activities
- 'Mat-time' involving movement, stories and rhyme

We offer an excursion once a term that is organised by each group and also run events for women, parents and families throughout the year.

OUR VALUES

Our heart is to see the family unit supported and strengthened. Through friendship, acceptance, fun and teamwork we aim to communicate positive Christian values.
