

WORK EXPERIENCE

Ignition Creative

Junior Art Director

Los Angeles, CA

(January 2019—January 2021)

Worked with the print team to create dynamic visuals for key art and poster campaigns. Designed key art from ideation to completion for various films and TV shows as well as Netflix product. Worked with the team on the HBO Max launch campaign designing various looks for an array of print and digital pieces.

Lionsgate Entertainment

Creative Services Intern

Santa Monica, CA

(September 2018—December 2018)

Interned with the Home Entertainment Department. Assisted with Walmart DVD restock cover designs as well as resizing key art for multiple titles for various streaming platforms.

The Kennickell Group

Graphic Design Intern

Savannah, GA

(June 2016—September 2016)

Designed logos, banners and signs for various companies. Learned to work under strict time constraints and with a range budgets. Tasked with designing a van wrap for the company delivery vehicle to advertise for the wide format department.

Ty Colter Visual Design

Freelance

Los Angeles, CA

(June 2015—Present)

Designed album artwork for various musicians. Created branding and stationary designs for various clients. Working as a design lead on a cookbook, website and social media content for a client. Designed t-shirts and logos for Savannah Christian Prep. School's Cross Country and Track & Field programs. Collaborated with TRPD Branded Goods to create artwork for their website, social media and paper packaging. Built websites and designed banners for local clients.
