Objective

A junior graphic designer with two years experience working at print companies where I gained a better understanding of print, production, and prepress. I am looking for a more creative role where I can express my ideas and creativity while growing as a designer.

Experience

Prepress Operator | Sandy Alexander - Clifton, NJ | February 2019 - March 2020

- Created print layouts and updated assets for Philip Jeffries.
- Packaged assets to be shipped to locations.
- Customer Service Representative for Barnes and Noble College.
- Helped create a better workflow for Barnes and Noble College to increase productivity from being able to process about 5 to 20 orders a day.
- Created appeals for Uniqlo.
- Prepped Uniqlo files to be printed for wide and digital format daily.

Prepress Assistant | Signmasters - Passaic, NJ | August 2018 - December 2018

- Created lasers for every job going to production.
- Daily operated the xerox printer for digital format jobs.
- Updated and added print ready files to clients asset libraries.

Junior Graphic Designer (Internship) | Design for Community Partners - Galloway, NJ | January 2017 - May 2017

- Created a catalog for the Wood Engravers Network that was chosen out of 25 other designers.

Bachelors of Fine Arts in Visual Arts | GPA: 3.4 | September 2014 - May 2018 | Stockton University - Galloway, NJ

- Minors: Art History, Digital Literacy and Multimedia Design, Philosophy and Religion
