THE EVENT

A group event with Flying Timber Axe Throwing is a fun and unique activity perfect for parties, team building, client entertainment and more! Treat your group to a lively competition, something new and memorable.

Our throwing coaches will walk your group through a quick safety briefing followed by axe throwing instruction. Once complete, your group is free to let the axes fly! Our coaches remain close by to provide additional instruction or assistance as needed. We work to ensure that everyone is successful and having a great time.

Located on every table is a list of games and pre-printed score sheets. Once everyone has the hang of it, your coach will walk you through a friendly competition to crown the AXE-pert of your group!

ETCETERA

Flying Timber has an extensive beverage selection that includes craft and domestic beers, canned cocktails, soda, water, and sports and energy drinks. Drinks can be included in the group tab or paid separately.

We allow participants to bring in outside food. We would be happy to recommend one of our catering partners. We work with multiple nearby restaurants that cover a range of budgets from high end steakhouse to sliders in a take out box!

Additional t-shirts and trophies can be purchased for \$20. Koozies are available for \$2. Shoe rental, including new socks, is available for \$4 (limited quantities and sizes available).
