

Courageous Study

Our process was as follows:

1. One month out we promoted "Breakfast and a Movie". On the 2nd Monday in January we served a hot breakfast at 7:30AM then showed the movie from 8-10AM. After the movie we invited the guys to come to the Saturday morning series beginning in February.
2. We had about 280 men at the breakfast/movie. Just under 200 men attended and completed the 13-week series.
3. We concluded the series and held a ceremony on a Monday night. Family and friends came to witness the ceremony.

The benefits were as follows:

1. Our men were motivated to become better fathers and husbands. Many wives gave testimony to the changes in their husbands.
2. Our men have stayed motivated to continue in the discipleship process at Grace.
3. There has been a 25% increase in our men's ministry. We now have nearly 500 men participating in one (or more) of our weekly discipleship offerings.
