

### **CERTIFIED BACKFLOW PREVENTION ASSEMBLY TESTERS LIST**

The following individuals, after successful completion of the required training, have requested and have been authorized to test Backflow-Prevention Devices within the City of Loganville Water Service Area.

**Please Note:** The City of Loganville Water Department does not attest to the abilities of the listed individuals. The State of Georgia requires that any repairs made to a backflow prevention assembly must be performed by a licensed plumber. **This list is provided as a public service and is not an endorsement of any individual.**
