Loganville Department of Public Utilities to host Great American Cleanup Event

80 residents took part in 2018 collection effort

The City of Loganville is proud to sponsor its annual Great American Cleanup Dump Day Event from 8 a.m. to noon on April 20. Items will be collected at the Department of Public Utilities, located at 4891 Highway 81 N., Loganville. Those dropping items off are encouraged to enter the facility at H.O. Byrd Road.

The event serves as an opportunity for Loganville residents to bring in unwanted items from their home, such as old furniture, appliances or building materials. Tires, paint or any types of chemicals will not be accepted and ID will be required to show proof of being a Loganville resident.

“This event has continued to grow and enjoy a great deal of success over the years,” said Chris Yancey, director of the City of Loganville’s Department of Public Utilities. “We are happy to provide this opportunity to our residents and hopes it continues to grow and be successful in meeting a need for our residents.”

Last year, 80 residents took advantage of the Dump Day event, filling up more than eight 30-yard dumpsters.

For additional information, call the City of Loganville Public Utilities Department at 770-466-0911.
