**ROLL OFF APPLICATION**

**City of Loganville Code: Sec. 26-57. – Occupant to pay fees; use of authorized service required.**

- A) It is found and determined that the periodic collection of refuse from all places in the City benefits all occupants of places and premises in the City, and such occupants or persons in possession, charge or control of any place in or from which garbage is created, accumulated or produced are liable for and shall pay the refuse collection fees established by the Council.
- B) Refuse collection service shall be provided for by the City either by the City Department of Sanitation or through an independent contractor operating under formal contract with the City and it shall be mandatory for all occupants or persons in possession, charge or control of places and premises in the city in or from which refuse is created, accumulated or produced to use the collection provided by the City.
- C) It is unlawful for any person other than an independent contractor operating under a separate contract with the City or authorized agents and employees of the City to collect, remove or dispose of refuse in the City; provided, however, that nothing contained herein shall prevent the use of garbage disposal devices as provided in the plumbing code. (Code 1994, 8-105)
