Job Title:	Wastewater Treatment Plant Operator
Closing Date/Time:	Open Until Filled
Salary:	\$34,171.45 Annually (Negotiable DOQ)
Job Type:	Full Time
Department:	Water Quality Control Department

The City of Loganville is seeking a full time Wastewater Operator in the Water Quality Control Department. This is a semi-skilled and skilled technical maintenance job that involves the handling of the City's wastewater collection system.

Major Duties:

- Ensures that wastewater is redistributed into the environment properly.
- Monitors the performance of all equipment, gauges and charts in the plant facility.
- Charts lab results for trend analysis and maintains accurate records and test results.
- Maintains grounds of Water Quality Control facility
- Maintaining the NPDES permit requirements for the Water Quality Control Department.
- Operates, maintains, and repairs malfunctions on the wastewater treatment plants equipment.
- Collects samples and identifies concentrations of chemical, physical, or biological characteristics of wastewater required in accordance with Local, State and Federal requirements; gathers and tests wastewater samples for plant efficiency reports as required.
- Calibrates, modifies or repairs instrumentation and control equipment including recorders, flow-meter, and other water quality monitoring equipment.

Knowledge Required by the Position:

- Knowledge of safety procedures.
- Knowledge of general maintenance repairs.
- Knowledge of basic mathematics.
- Ability to prepare and maintain accurate records and reports.
- Ability to understand and follow oral and written instructions.
- Ability to communicate clearly and effectively, orally and in writing.
- Ability to establish and maintain effective working relationships with supervisors, work colleagues, and the general public.
- Ability to respond seven days a week, 24 hours a day for system emergencies as needed.
- Ability to understand and follow oral and written instructions in the English language.

Requirements: High school diploma or GED equivalent, State of Georgia Wastewater Class II License is desirable; possesses a valid State of Georgia driver's license or Class B CDL (desirable), and a satisfactory Motor Vehicle Record (MVR) and Back Ground Check; and passing a Drug Screen test. Confined Space, First Aid and CPR certification is desirable, and any combination of education or experience is acceptable.

Benefits include: Health, Life, and Dental Insurance, Paid Holidays, Vacation, and Sick Leave. Applications are available at City Hall or on our website at www.loganville-ga.gov. Submit completed application to City Hall, 4385 Pecan Street., Loganville, Ga., 30052, Attn: Human Resources Director. Resumes will **NOT** be accepted in lieu of Application.

The City of Loganville is an Equal Opportunity Employer and Drug Free Workplace.
