Education

Texas State University

2015 - May 2018

BFA in Communication Design

Experience

Frost Bank Internship

January 2018 - Present

Worked on a team to create Frost's new Design Language System alongside Frog and McGarrah Jessee. Provided illustrations for the DLS and helped create components for the Design Library. Worked on implementing the DLS across the digital platform. Participated in design

Geek Squad

2012 - January 2018

Created and applied new operating procedures to improve efficiency and productivity within Best Buy and Geek Squad. Communicated with fellow team members and leadership on how to best achieve department goals. Collaborated with team members to organize outside events in order to promote a fun and healthy work environment.
