- We are part of a larger story (Gen 3:14-15; 5:1; Mat 1:1).
  - We are a pixel not the whole portrait.
- We need to move God's treasure from our heads to our hearts.
  - Our feet will not move until our heart is engaged.
- Your position informs your direction (Romans 15:4-6).
  - Actual position is the difference between a prince or a poser.

### CHALLENGE

1. Tell your story.
2. Consider/talk about the question, "What are some Christian words or ideas that seem to have lost their power?"
3. Pick a great story from Scripture and read it again (individually or as a family). Consider, "What was God's point?"
