

# Who Do You Think You Are?

## Part 4 – Bond Servant

Philippians 2:5-8

- **What is a bond servant (doulos)?**
  1. Slave
  2. One who gives himself to another's will.
  3. Devoted to another to the disregard of one's own interests.
  
- **Two things this means**
  1. A servant/slave goes wherever his master asks no matter the consequence or emotion.
  2. Being a bond servant is a willful choice to set aside your will and choice.

- **Why should we place ourselves under God's authority? Why should we call ourselves bond servants?**
  - Love for God draws us into becoming bondservants.
  - Devotional love with no expectation in return (agape) is what authors "bond servant."
  - Key: Our faith would be incomplete unless we have considered the implications of becoming a bond servant.

## **DISCUSSION QUESTIONS**

1. What part of this discussion was hard to accept?
2. What has God called you to that requires a servant's heart?
3. What will you do this week to display a servant's heart?
