- **Key: We must work hard to promote peace and edify**
 - Let us pursue what promotes peace and what builds up one another (14:19).
 - Do not tear down God’s work because of food (14:20).
- It takes careful planning to join the work of God.
 - Care before you share
- It takes careful planning to maintain a clean conscience.
 - The best pillow is a clean conscience.
- It takes careful planning to be “thick skinned.”
- Question: Do we leave the meeting agitated and irritated or at peace?

DISCUSSION QUESTIONS

1. Are you more of a freedom fighter, bunker brother, or a pot stirrer? How does that reveal itself?
2. Can you remember a situation where you have hurt a relationship over a nonessential matter? How would you handle it differently in light of this passage?
3. How or what will you be praying for our church as we begin the process of regathering?
