- **The Big Idea:** Our proximity to God determines our proximity to peace.
  - God promises to grant us peace in the person of Jesus Christ.

### HOW DO WE DRAW NEAR TO THE GOD OF PEACE?

- Perceive His work.
- Pray without ceasing.
- Ponder His truth.
- Put these things into practice.

## **DISCUSSION QUESTIONS**

1. Take time to “rejoice in the Lord” right now. What is something that God has done or is doing right now in your life or in the world around you that you can thank Him for?
2. Which of these three steps has been the hardest for you to practice?
3. Who is someone that you could encourage with this passage this week?
