### WHAT IS THE BIBLICAL VIEW OF HOPE?

- Hope: The strong desire, eager anticipation, and confident expectation of a future guaranteed by God.
- Hope is waiting not wishing.
- Hope is based on the activity and character of God. It is not blind.
- Hope is stirred by promises not positivity.
- Hope is the best medicine for dark times.
- Hope is a defining mark of a Christian.

# **DISCUSSION QUESTIONS**

1. How has Scripture shaped your view of hope?
2. Tell one story where hope changed your experience.
3. How can we display hope in this season?
