- What does peace look like?

RECAP

- Hope: The strong desire, eager anticipation, and constant expectation of a future guaranteed by God.
- Joy: An experience of wellbeing regardless of circumstances.

PEACE

- Peace: A state of harmony, security and provision because of a right relationship with God.
- Peace is received not achieved.
- Peace is being put right and made ready for a world that is put right.
- God’s desire is not just that we would taste peace ... He wants us to be flooded with it.

SERIES WRAP

- Paul's prayer was that God's people would be so flooded with His presence that they would be left craving not earth, but Him.

DISCUSSION QUESTIONS

1. What is the difference between the peace proclaimed by the world and the peace described in Scripture?
2. What does a life overflowing with hope, joy and peace look like?
3. How can we put these truths on display this Christmas?
