TRUE COMMUNITY

- To “come to Jesus” is to come to community (v. 3, 4).
- We are shaped by (and for) community to bring praise to God (v. 5).
- Community inspires humble reflection(v. 9, 10).

QUESTIONS

1. How has “community” shaped you? (What has living in community revealed about you?)
2. What makes committing to community hard?
3. Describe a moment where you experienced community in a profound way.
