

HB 2013 — a critical bill to keep guns out of the hands of domestic abusers — is about to have its first hearing in the Oregon Senate.

Currently, Oregon law prohibits domestic abusers from purchasing firearms, but doesn't require them to turn in any guns that they may already own. **This law would close that dangerous loophole, and protect Oregon communities from abusers armed with guns.**

Earl, we need to build support for this bill so that when it's ready to go to a vote, our lawmakers know Oregonians want them to vote yes. **Add your name to this petition telling lawmakers to vote YES on HB 2013.**

With your help, we'll have the support we need to help keep this life-saving bill moving toward the finish line and reduce gun violence in Oregon.

Thanks for everything you do,
