

2nd King's Prayer at the "Rally at the Rock," 8/16/20

Our Father in Heaven, we come to you in the mighty name of your son Jesus, we praise you and give you all the glory for you have kept this country free from the wiles of the devil up till now. We thank you for President Trump, risking his life to fight against the most evil and powerful forces in the world that are joining forces to destroy him and our country!!! Lord, let us remember that at the inception of our great country you allowed our founding framers to create a country centered on your Judeo-Christian values—on hard work, morality, the rule of law, faith in Jesus Christ and loving our neighbors as we love ourselves. Our founding fathers stood against the most powerful and formidable military of the day and declared that they would risk their lives, fortunes and sacred honor for the cause of living as free men, under God and away from King George's control.

Today the left is trying to rewrite history and teach the next generation that the Founding Fathers were racist, slave owning, white supremacists. They are inciting the youth to tear down the statues of Washington, Jefferson and other founding fathers. They are cultivating a hatred for America and the ideals of Freedom. They are telling our youth that America must be destroyed and Marxism erected in its place.

But we know that contrary to what the leftist communists are saying about the Founding Fathers history shows a different picture. Our founding framers were NOT deists who believed in the possibility of God, they were Christian intellectuals with some varying opinions of doctrinal matters, but they were NOT agnostic or atheist. Benjamin Franklin wrote that he was a deist but then realized the stupidity of such a position. Montesquieu, Blackstone and Locke were the 3 most widely quoted philosophers by the Founding fathers and they were ALL Christian philosophers, not secular materialists!!!

Lord, how far we have strayed as a nation and forgotten our core values, our heritage, our history!!! Lord, in the beginning you said to man, "be fruitful, multiply and have dominion [or subdue] the earth." You gave the blessing of dominion over the earth to your children Adam and Eve. The powerful Archangel Lucifer, was not given this inheritance and he was to be the servant of Your children and not their master. However, through the illicit Fall of Eve then Adam, Your children lost their dominion, their purity and their blessing. Lucifer reversed dominion and 1/3 of the angels left their proper position as servants and became the masters of humanity.

In the same way, your Word unlocks how we as a nation are coming to become enslaved to leftism, socialism, communism, political satanism. The men and women of a nation are in the position of Adam and Eve—they are to have dominion of their nation and to be the masters of their land. Government is in the position of the Archangel, who has power, but must be the SERVANT of Adam and Eve. When Governments leave their proper position as servants to the people, they are now in the position of the fallen Archangel Lucifer who stole the inheritance God gave to His children becoming the masters instead of the servants.

Lord, America is in a similar crisis today! As we have become a more and more secular nation we have become a more pagan nation. We have taken YOUR Word out of our schools. We have allowed the removal of prayer and the Ten Commandments from our halls of learning and justice. We have stood idly by as fellow Americans murdered over 70 million babies in the womb since 1973. We have participated in a culture of licentiousness, children out of wedlock, pre-marital sex, and a culture where the most powerful people in this land are involved in sex trafficking, Luciferian worship and pedophilia!

2nd King's Prayer at the "Rally at the Rock," 8/16/20

We know that Lucifer destroys the citizens of a nation by using government to fund the misuse of SEX, POWER and MONEY. We know that Communists always promote the dissolution of traditional marriage and encourages free sex culture, pre-marital sex, and sexual deviance, which precipitously degrades the morals of a peoples and gains their favor to secure more POWER and MONEY. Lord, you have shown us that Communist Revolutions all us SEX blackmail campaigns providing prostitutes AND CHILDREN to powerful men and capturing the incidences on record (parallels to Epstein and Ghislane Maxwell). They order the killing of property owners as they are "stealing" from the proletariat and finance groups of roving teens to riot, create chaos and murder political enemies—something very similar to what we see George Soros and the elites of Hollywood funding BLM and Antifa today. The Democratic Party is leading a Communist Revolution in our country Dear God!!! This is why we must have victory in 2020! We cry out to you Lord! Pour our your Holy Spirit! Set brush fires in the hearts and minds of men and make us stand in this animating contest of liberty!!!

Lord, in the last few months we have witnessed the most egregious infringement of civil liberties in modern American history. We have seen curfews and confinement orders, social distancing mandates, church shutdowns, people arrested for playing at parks, surfing during lockdown, forced to wear masks, and our economy being devastated by the Chi-comm virus. Something so much more sinister than the coronavirus is that we are BECOMING like China, especially if they defraud President Trump and the American people of a victory in 2020 through mail in ballots and massive voter fraud.

Lord! Your Word tells us in Rev 1:5, that "Jesus Christ the faithful witness and the first begotten of the dead and the prince of the kings of the earth, has loved us and washed us from our sins by His own blood and hath made us KINGS & PRIESTS unto God and to His Father." Paul calls believers a "royal" or "kingly" priesthood who will not only rule the nations, but "judge the angels" (1 Cor 6:3). LORD, YOU HAVE MADE US, "WE THE PEOPLE" THE KINGS AND RULERS OF THIS LAND!!!

Father!!! As the election is fast approaching and our country's life is hanging on the line, let us reject the false Leftist doctrine that America and Judeo-Christian values are evil. Let us reject the false Leftist doctrine that Marxism is Good and will create Utopia. Let us reject the false Leftist doctrine of liberation theology where a socialist/communist Jesus will rule as a socialist governmental leader, centralizing government and power of the State. Dear God! None of our Founding framers ever believed this, in fact they believed the opposite—that You have given WE THE PEOPLE sovereignty and that no government, bureaucrat or person gives us our rights, but that they are endowed to us BY OUR CREATOR--ALL MIGHTY GOD, OUR FATHER!!!

Lord on this day, let us vow to forever resist Tyranny, Leftism, Socialism/Communism and political Satanism worldwide and pray and fight everyday for victory 2020, that the left may be exposed and that President Trump will have 4 more years to drain the swamp and to get America back on track to leading the world as a country that honors You, loves You and will forever protect the inheritance that YOU have bestowed upon us!!! We thank you and give you all the praise, glory and honor, and in your precious name we pray!!! Amen!!!
