

Pastor HJ Sean Moon

A Tree by Its Fruit

2022. 11. 04, CP-TN

God bless you King Kyle and all the folks holding it down in PA. Praise God! We've got to pray for this country, folks! Amen! Crazy times! Absolutely crazy times!

Let's get into it. Today we're in 1 Samuel chapter 15. Oh! It's a very intense, very powerful chapter. Let's get into it; let's read together from verse 1.

1 Samuel 15

Saul destroys the Amalekites

¹ Samuel also said unto Saul, The LORD sent me to anoint thee to be king over his people, over Israel: now therefore hearken thou unto the voice of the words of the LORD.

² Thus saith the LORD of hosts, I remember that which Amalek did to Israel, how he laid wait for him in the way, when he came up from Egypt.

³ Now go and smite Amalek, and utterly destroy all that they have, and spare them not; but slay both man and woman, infant and suckling, ox and sheep, camel and ass.

⁴ And Saul gathered the people together, and numbered them in Telaim, two hundred thousand footmen, and ten thousand men of Judah.

⁵ And Saul came to a city of Amalek, and laid wait in the valley.

⁶ And Saul said unto the Kenites, Go, depart, get you down from among the Amalekites, lest I destroy you with them: for ye shewed kindness to all the children of Israel, when they came up out of Egypt. So the Kenites departed from among the Amalekites.

⁷ And Saul smote the Amalekites from Havilah until thou comest to Shur, that is over against Egypt.

⁸ And he took Agag the king of the Amalekites alive, and utterly destroyed all the people with the edge of the sword.

⁹ But Saul and the people spared Agag, and the best of the sheep, and of the oxen, and of the fatlings, and the lambs, and all that was good, and would not utterly destroy them: but every thing that was vile and refuse, that they

destroyed utterly.

¹⁰ Then came the word of the LORD unto Samuel, saying,

¹¹ It repenteth me that I have set up Saul to be king: for he is turned back from following me, and hath not performed my commandments. And it grieved Samuel; and he cried unto the LORD all night.

¹² And when Samuel rose early to meet Saul in the morning, it was told Samuel, saying, Saul came to Carmel, and, behold, he set him up a place, and is gone about, and passed on, and gone down to Gilgal.

¹³ And Samuel came to Saul: and Saul said unto him, Blessed be thou of the LORD: I have performed the commandment of the LORD.

¹⁴ And Samuel said, What meaneth then this bleating of the sheep in mine ears, and the lowing of the oxen which I hear?

¹⁵ And Saul said, They have brought them from the Amalekites: for the people spared the best of the sheep and of the oxen, to sacrifice unto the LORD thy God; and the rest we have utterly destroyed.

¹⁶ Then Samuel said unto Saul, Stay, and I will tell thee what the LORD hath said to me this night. And he said unto him, Say on.

¹⁷ And Samuel said, When thou wast little in thine own sight, wast thou not made the head of the tribes of Israel, and the LORD anointed thee king over Israel?

¹⁸ And the LORD sent thee on a journey, and said, Go and utterly destroy the sinners the Amalekites, and fight against them until they be consumed.

¹⁹ Wherefore then didst thou not obey the voice of the LORD, but didst fly upon the spoil, and didst evil in the sight of the LORD?

²⁰ And Saul said unto Samuel, Yea, I have obeyed the voice of the LORD, and have gone the way which the LORD sent me, and have brought Agag the king of Amalek, and have utterly destroyed the Amalekites.

²¹ But the people took of the spoil, sheep and oxen, the chief of the things which should have been utterly destroyed, to sacrifice unto the LORD thy God in Gilgal.

²² And Samuel said, Hath the LORD as great delight in burnt offerings and sacrifices, as in obeying the voice of the LORD? Behold, to obey is better than sacrifice, and to hearken than the fat of rams.

²³ For rebellion is as the sin of witchcraft, and stubbornness is as iniquity and idolatry. Because thou hast rejected the word of the LORD, he hath also rejected thee from being king.

²⁴ And Saul said unto Samuel, I have sinned: for I have transgressed the commandment of the LORD, and thy words: because I feared the people, and obeyed their voice.

²⁵ Now therefore, I pray thee, pardon my sin, and turn again with me, that I may worship the LORD.

²⁶ And Samuel said unto Saul, I will not return with thee: for thou hast rejected the word of the LORD, and the LORD hath rejected thee from being king over Israel.

²⁷ And as Samuel turned about to go away, he laid hold upon the skirt of his mantle, and it rent.

²⁸ And Samuel said unto him, The LORD hath rent the kingdom of Israel from thee this day, and hath given it to a neighbour of thine, that is better than thou.

²⁹ And also the Strength of Israel will not lie nor repent: for he is not a man, that he should repent.

³⁰ Then he said, I have sinned: yet honour me now, I pray thee, before the elders of my people, and before Israel, and turn again with me, that I may worship the LORD thy God.

³¹ So Samuel turned again after Saul; and Saul worshipped the LORD.

³² Then said Samuel, Bring ye hither to me Agag the king of the Amalekites. And Agag came unto him delicately. And Agag said, Surely the bitterness of death is past.

³³ And Samuel said, As thy sword hath made women childless, so shall thy mother be childless among women. And Samuel hewed Agag in pieces before the LORD in Gilgal.

³⁴ Then Samuel went to Ramah; and Saul went up to his house to Gibeah of Saul.

35 And Samuel came no more to see Saul until the day of his death: nevertheless Samuel mourned for Saul: and the LORD repented that he had made Saul king over Israel.

Wow! Oh, praise the Lord Almighty! Divine Principle right there, five percent responsibility! God gives us free will; very critical thing. Everything's not predestined; we have free will. Free will is the cornerstone of human rights; free will is the cornerstone of Providence because without free will what can we do? We can't do what? We can't reciprocate LOVE with God; we can't do it.

So, free will is ABSOLUTELY critical for a nation and of course in this case Saul does not obey God. He's ordered to go kill the Amalekites. Why? Because now the Amalekites have reaped the judgment of God, and He says, "*Wipe them ALL out! Their women, their children, everybody has to go.*" So, the Lefties will always say, "*Well, YOUR GOD of the Bible legalizes GENOCIDE!*" No there's a difference between judgment and indiscriminate killing based on a race or something like that. This was a judgment by the Lord of all creation. By whom? The Giver of Life and "*He that taketh it away.*" Amen! God is able to judge and He is a righteous God.

The Return of the Gods

So, the hammer of judgment had fallen now on the Amalekites who of course worshiped Baal and Asherah and did all the things that we saw in Jonathan Cahn's book *The Return of the Gods*, that we've been studying the last couple of weeks with the gay festivals and the rainbow, *Manzat Ishtar*, etc. Remember Ishtar AND the main colors of the rainbow? Oh my gosh! Who knew that those modern gay parades are manifestations of the ANCIENT, OLD, decrypted, old, old, old religion? There's nothing new, nothing modern! Ancient and old and haggard religion; very nasty old death cults, which of course celebrate sexual licentiousness and the destruction of kids.

The REAL secret Jonathan Cahn did not talk about was what? All those kids that were in there, the male prostitutes and also the young girls that were made to prostitute themselves in the prostitution temples, what were they? They were little girls sold at three, four, FIVE years old. He didn't mention that. See? He kind of made it ambiguous that these were girls sold into sex prostitution, but he forgot to mention that they were sold at three, four, five years old.

We have receipts from ancient texts. I believe there's one from the eighth-century in Babylon showing a father selling his daughter to the temple of Asherah for sex prostitution; she's three years old or something like that. Three years old and he's selling her! That's the reality of Satanism. It's a slippery slope of sexual licentiousness. It goes to destroy and flip and reverse. Gender, flip; marriage, flip; man and woman flip; the institutions that God has created, the

covenant He has made, it flips them on their head. Why? Because Satan is nothing creative; Satan can only tear down.

If you look at the modern art of the West for example, there's nothing creative; all they do is tear down. Tear down standards of beauty that match with nature and with the Fibonacci spiral and the Golden Ratio etc. Those are classically seen as beauty because they're seen throughout ALL of creation from the spiraling galaxies, the curling of a wave, all the same ratio proportion. That's why people who reached towards the aesthetic realm with art had standards of beauty. But modern art is what? It's trying to be devoid of standards of beauty so you literally throw paint up on a white canvas and it is art. It requires no skill. They literally put dog poop in a corner and then they put a cross of Jesus hanging there with poop in front of him, and that's SUPPOSED to be art! You understand folks? This is ridiculous! Satanism CANNOT build; it can only destroy.

It can't build anything better than the institution of marriage, the covenant of marriage between a man and a woman. So, what does it do? It seeks to destroy it, seeks to tear it down because Satanism is not creative; it's only destructive. Once society leaves the institution of the purpose of creation that is the real manifestation of love and safety and the continuation of the progeny of God's lineage and the children of God; once we leave that and redefine marriage, redefine sexual relations and all these kinds of things which was done now legally all on June 26th... Remember how crazy that was? Those three main Supreme Court decisions all on June 26th, which is what? The high point of the summer solstice, which they say is the day of what? The 10th of Tammuz which was the day when man fell in love with a man.

Satan's Goal - The Destruction of Children

That is of course where Jonathan Cahn made amazing insights and discoveries here, but of course the real key is that the height of this licentious slippery slope is the destruction of the innocent children. Why? Because Satan was the first pedophile! Satan was the first groomer; he was the first one who targeted the children of God. Amen!

And of course, he uses that in all the satanic apparatuses to blackmail and to swindle. We're seeing that more and more with the entire Epstein case, the Ghislaine Maxwell case, etc. Now, in the modern-day period thanks to the internet we are able to communicate freely and people are able to share these truths and realities that they never knew about. They were hiding under the rug and, "Oh, come on! That's kind of far-fetched! No, no, no, those people in DC, they would never be involved in those kinds of stuff!" Uh-huh!

Nobody would believe it when in the 1980s the Washington Times under True Father's leadership was exposing the pedophile rings that George Bush and the Republican Party were running. Think about that! Think how scandalous that was! Nobody wanted to believe that, but it was our reporters at the Washington Times that were exposing that, and they were not only

exposing on the Left, they were exposing on the Republican Party which was also involved in that.

And of course, Madison Cawthorn, the congressman from North Carolina, the young man who has no legs, said that he was invited to what? Sex parties.

<https://www.businessinsider.com/madison-cawthorn-dc-elite-consumed-cocaine-invited-him-to-orgy-2022-3?IR=T>

WHY? To compromise.

WHY? To make him fall.

WHY? So, he can be blackmailed.

WHY? So, they can use sex as what? Power.

NOT how God created sexuality to be. To be what? An expression of love in the eternal promise of marriage, a covenant, and children and progeny and family and strength and power, and glory and praise be unto God. Amen! NOT THAT! The opposite!

It's incredible when we see that reality now coming out with Jonathan Cahn receiving great insight about how that's connected in the modern world with the Supreme Court cases etc. But folks, again missing out that one point; the point that at the end it is the destruction of children.

That's why at the highest level not only do we see Epstein Island and Ghislaine Maxwell, but what's coming out now? The Balenciaga! By the way Balenciaga means "Baal is king"; that's what it means. <https://www.instagram.com/p/CloTRcXgKLU/>

Can you believe that? Can you believe that? Remember Baal the evil Canaan god who likes EATING CHILDREN! That's a fashion brand and the top designer of that Russian brand is Lola Volkova who's literally a practicing Satanist, carving pentagrams into her blood rituals and freaking wearing pro-cannibalization shirts. Then the parent company of Balenciaga is running an auctioning of statues of young children with sexual organs on their heads.

This is what the elite are buying folks. Who is buying this kind of crazy stuff and pictures of young kids dead on the ground with their guts and their organs hanging out? You all saw those pictures, right? WHO the heck buys these SICK, DISGUSTING, DECREPIT, devilish demonic things? Who buys that? Who would pay for that? It's revolting; it's disgusting; fundamentally antithesis to what? To life. Why? Because Satanism is a cult of death; it's the fetishization of death, the fetishization of the destruction of innocence. That's why they're always after the most innocent, the purest. Jesus said, *"Verily I say unto you, except ye be converted, and become as little children, ye shall not enter into the kingdom of heaven,"* (Matthew 18:3) So then of course they TARGET the children! Are you with me, folks? Oh, Lord have mercy! Unreal, unbelievable folks! But that's the kind of world we live in and of course that is now coming out more and more.

Kanye West is coming out with his Balenciaga zip hat on <https://www.msn.com/en-us/music/celebrity/kanye-west-stands-with-balenciaga-amid-bdsm-scandal-gets-banned-from-twitter-for-12-hours/ar-AA14Op04> and talking about BDSM (bondage, discipline, sadism

and masochism) sheet with Jesus is King. Oh, my Lord! Give me a freaking break! You're talking about "Christ is King," but you're literally supporting the brand that says "Baal is king." What the heck is that about? On the Alex Jones Show he's saying he likes Hitler. Of course, those things are kind of taken out of context. I've seen the whole interview; it's not as bad. Kanye is trying to make provocative statements; it seems like he's just trying to get people riled up, so we don't know his intention.

Elon Musk

The point is: we see these kinds of issues now coming to the forefront and taking center stage; the corruption, the evil. Elon Musk now has released the internal Twitter documents that show what? There was CHEATING in 2020!

<https://thepostmillennial.com/breaking-elon-musk-confirms-that-twitter-has-interfered-with-elections> Oh, my gosh! What a surprise; is that a surprise for all of us? Oh, such a surprise; such a great surprise! They cheated. They were working DIRECTLY with the FBI, DOD (Department of Defense); directly. They were taking CALLS and banning and censoring data and information from the New York Post that was exposing Hunter Biden's one-billion-dollar deals with Ukraine and China. ALL to do what? Suppress the election. This is TREASON!

Kook J-hyung was talking about Elon Musk the other day; he was saying he's like Benjamin Franklin. Remember he was one of the Founding Fathers. Bad guy by the way; Benjamin Franklin was a very bad guy. He was in the Hellfire Club which was a Satanist pedophile club. Did you know that? Yes, Benjamin Franklin was a pedophile; he was a Satanist pedophile; he was in the Hellfire Club which is a KNOWN secret pedophile organization. However, Benjamin Franklin DID step away from that it seems, and then stood up to fight for freedom with the Founding Fathers. So, what happened there? That's the case of a fallen angel or a demon repenting and saying, "Okay, I got to help; I got to help this out."

What's happening with Elon Musk is kind of similar. Elon Musk, even though he doesn't denounce Balenciaga and this kind of thing, he's using his platform to now expose things about the reality of the stolen elections. And of course, he's saying he's not suicidal, just in case he gets suicided and they blame it on the cat, or he's got two bullets going in two directions through his brain. NO

Not Horizontal but Vertical Split

These people are not perfect of course and whenever you're dealing with people and whenever you're dealing with these rings of power, no, you're never going to get perfect people. But you NEED a separation and a split. NOT HORIZONTAL because then you'll end up with the French Revolution. If the middle and lower classes split and the elites are isolated and then they just fight the elites, you'll have a French Revolution, you'll have a socialist Revolution. It has to be

VERTICAL. That means in all the parts of the strata from high class to middle class to lower class, there has to be some leaders in all three that step on the side of good; you have to have it.

That's what Trump would represent. He was a billionaire; he has pictures with Epstein. We don't know if he's been in the island or not; apparently not. If he had been on the island, you know it would have been on every single mainstream for the last three, four, five years. But the point is: they didn't like Trump because he was outside that system. He was in the billionaire class and he said:

- *"You know I'm not going to sell out to China. I don't want to sell out this country. These people put us under Klaus Schwab and his new economic program."*

- *"Yes, you shall obey Klaus Schwab." (Speaking with a German accent)*

Trump didn't want to do that; he said, *"NO! I'm not going to follow that."*

So, you have a split from the billionaire class down and then what happens? You have a very prominent billionaire that says, *"no,"* even though he's not perfect. But then you have a lot of people underneath him, smaller billionaires, larger multi-millionaires that say, *"Hey, I'm going to stand in this man's shadow. I'll help the patriots out"* Like Mike Lindell and this kind of folks that come out after him.

This is what YOU NEED! You need to have UNITY between ALL the strata of society so they can't play class division. It doesn't matter if George Washington was a billionaire in his time or multi-millionaire, or Thomas Jefferson was a multi-millionaire. These people were in the ELITE but they would work with the common men farmers; they would STAND with them in battle.

You need that VERTICAL split. Why? Because the reality of the situation is that predators don't live in the upper class, they don't live in the lower class, they don't live in the middle class; they live in ALL three. There are evil people in the high class, evil people in a middle class, evil people in the lower class in the "low social economic strata" - to be politically correct. There are predators in EACH CLASS, and the point is for the good people in each class to resist the predators in those classes.

So, it has to be a VERTICAL split, not a horizontal split. The HORIZONTAL split is the Marxist split; that's what they want. They want the class division; that's what they did in China. That's how they got kids to kill their parents saying the parents were holding on to the traditions and the things that were oppressing them like marriage and family. They wanted to be free and they wanted to go to sex clubs which were funded by the CCP; they wanted to go party and have drugs and act sexually licentious.

The Forbidden Fruit

Young people are very susceptible to falling into those traps, aren't they? Is that true? Very susceptible because their hormones are raging, their amygdala is not properly functioning, they

don't have fully developed prefrontal cortex; they can't make long-term decisions very well. You don't have a fully functioning brain until you're about 25.

They are very easy to lure with what? The forbidden fruit, which is not an apple or peach; it is of course the sexual organ. THAT IS what SATAN uses and that's why these Satanists like fetishizing this and of course they like to do this on the most innocent, on children. That is the PINNACLE of Satanism. The killing, destruction, the eating, cannibalism, all that ancient stuff is real and it exists. Jonathan Cahn should work on a book about that; he's quite an excellent researcher, I have to admit.

But you understand when a society has gone that far, the hammer of judgment falls and when the hammer of judgment falls EVERYBODY is condemned, everybody, and that's what you see with the Amalekites. God condemns the entire civilization. No one must be spared, including what? Including the oxen and the sheep. What did the oxen do? They're stupid animals; they didn't do anything bad. They didn't have free will. No, no! They're part of the whole apparatus of buying and selling, the trading system for which you would sell your children. You would sell your daughter to the priest or the priestess and you would get a fatted calf. You understand? They were ALL part of the CURRENCY of the trafficking, of the prostitution rings, of the sex cult, of political Satanism. And whenever power gets centralized, it ALWAYS leads to political Satanism and the Devil will ALWAYS use these different weapons to control. Amen!

We are the only church that has been consistently teaching this for how many years now? Since the 1950s when the Divine Principle was released; you're talking about SEVENTY plus years that we've been teaching this! The American public is just now waking up to this reality but for SEVENTY years Father has been teaching this around the world, and everybody who knows the Principle knows it. That's why people know that it is the ultimate weapon. It's not that we are riding the coattails of the trends that are going on now because people are finally starting to wake up and see the reality. NO! This is something that Father revealed in the prison, direct revelation from God, clear scriptural EVIDENCE.

We know that's the root of the destruction of all civilization from family to marriage to morals to everything; it ruins it all. It tears down the entire civilization from the inside out; it guts it. Just like those Satanists like gutting those kids and taking pictures where the kids' guts are all hanging out. That's what they want to do to society; that's what they're doing to America; going inside and cutting it and LAUGHING as it dies, LAUGHING as it's on its death row.

Died Suddenly

There is this incredible new movie *Died Suddenly*. <https://diedsuddenly.info/>
Who's seen that? If you haven't seen it yet we're going to play it in movie night. Oh, my goodness! Unbelievable! 40% death rate rise around the world, 40% increase in the last year! 40% death rate increase! The media doesn't cover it; of course, the Left mainstream media will

not cover it. 40% death rate increase! <https://thehill.com/changing-america/well-being/longevity/588738-huge-huge-numbers-death-rates-up-40-percent-over-pre/> That is worldwide by the way, and it all happened right after the death jab.

What does this movie do? *Died Suddenly* goes in and talks to the expert autopsy pathologists and embalmers who actually pull people's bodies apart after they die. And what do they say? They notice a spike in sudden death syndrome. They all say, *"Well, I noticed a spike around January of 2021."*

What they're finding is sick, is incredible; it's unbelievable, folks! The Stew Peters Show did incredible work. We were on his network a couple of months ago with Teddy Daniels. Anyway, Stew Peters Network did an incredible documentary on this. They got permission from the families to bring the cameras and they showed actual cadavers. The carotid arteries, that's your main arteries in the neck. In Jiu-Jitsu that's what we choke; we choke that up. From the main carotid arteries they were pulling out two-foot-long calamari-like rubbery thick earthworms. <https://citizens.news/628915.html>

And they found that the more the person received the death jab, the bigger the clot. It's like a rubber plug; it's made out of protein. Disgusting! The longer you've been injected, the bigger these things are. A microscope went in and showed the final moments of a person's heart. The guy was dying and right as he passed after his heart stopped beating, they went in and they literally pulled out a ginormous blood clot. All the embalmers were saying, *"Oh, It's interesting! I've never seen this before."* One of these embalmers by the way whose entire job is to embalm bodies said, *"I've never seen this before until January 2021."* Now they were pulling them out literally like calamari out of the blood vessels; which means what? It's completely clogging up.

That's why when these people have a heart attack, their head starts spinning and then they crash on the ground, because one whole side is clogging up. You'll see in the video footage on the gas stations and the different cafes that when all these people around the world are suddenly dying, they start looking up and turning in a circle, and they start spinning in the final dance of death as they're suffocated and killed. Unbelievable!

How much hell did they give us for telling people *"Watch these different doctors who are the experts in mRNA technology like Dr Robert Malone and McCullough and all these kinds of people!"* We were the only church in the whole region in PA that was showing this stuff and telling the people, *"Don't! Be wary, don't take it! Be careful! You'll make your own decision obviously, but look at what these experts are saying who have been banned, de- platformed, taken off the air."* Oh my gosh! You'll see it with your own eyes when we play that. Oh my gosh! It should be played in every church; every CHURCH should be alarming their people about this reality.

This is a mass genocide, a medical weaponization of chemical biological warfare! You only see that spike after January of 2021, which was when? When they started releasing the death jab. Everybody laughed and said, *"Ha-ha! Oh, I'm so brave and you're so cowardly. Get the freaking jab! You're so cowardly. Look at me, I'm getting my death jab. Ah, you see I'm fine, I'm fine."* Two days

later, croak; one month later croak; young 21-year-old Tick-Tockers, croak!

<https://www.narcity.com/toronto/a-21-year-old-tiktok-star-from-toronto-died-unexpectedly-tributes-are-pouring-in>

Young people, all of a sudden; professional athletes who are the healthiest people in our society, all of a sudden croak! Are you kidding? All these young people all of a sudden dying by some type of pulmonary heart disease! They had to categorize a whole new syndrome: the Sudden Death Syndrome (SDS) Are you kidding folks? And now the embalmers through the Stew Peters Network and through that documentary *Died Suddenly* are showing the American people the ACTUAL reality.

He has the data of various embalmers and he shows all the things they found. In one case they actually get the family's permission of a person that had died and they show that the camera is running live; no altering, nothing. You get to see exactly what they've been talking about and the person who died by a blood clot, guess what? He had the same calamari earthworms, giant earthworm-like protein clogs being yanked out of his neck. Holy *shmita*, folks! Are you kidding me?

If I did not Preach on It

And you remember, every single news outlet and every doctor was coming out from Fauci to the Indian lady in the CDC, all of them saying, *"It's completely safe and effective, safe and effective."* Rachel Maddow and every single talking head on MSNBC; all these lunatics saying, *"Oh, it's safe and effective."* Biden coming out, *"It's safe and effective. Come on man! Come on!"*

You remember this, folks? And if you even questioned that, people who get PAID to lie to the public to gain massive power would HARANGE you and call you conspiracy theorist; they would ABUSE you for not listening to pathological liars. That's socialism, communism, political Satanism. It fosters the actual culture of Satan, the culture of lying, deception, illusion, murder, assassination, and of course what? Pedomism! Because it is the end game.

Whenever that structure is created, whenever that house is built, those DEVILS come SEVEN-FOLD to inhabit that place and to CURSE it and possess it as we saw. Those socialists, communists and those Lefties are always ravenously trying to do the will of their father Satan and they're so busy trying to BUILD that mansion. CAN you believe it folks?

Remember for years how many sermons did I give playing clips of actual doctors and showing the different stats? You remember that folks, in 2020 -2021? Y'all remember this right? I was talking about it in almost every freaking sermon. But I was shocked by some of these people in Japan and Korea who said they heard the sermons but still, they went and got the jab because, *"Oh, I trust my doctor and this and that."* NOW they're dying!

Now the evidence is coming out. The thicker and bigger, the longer these calamari protein structures are, the more clotting you're going to get. They do actual thermal imaging through a thermal camera on these people and they see where all the blood is getting locked up. It's incredible! This guy's whole leg is all red and yellow everywhere up onto his face. Of course, they're giving blood thinners to these people, but what happens? Blood thinners don't work, which is almost unheard of; blood thinners thin blood. This is not blood; this is a protein! Doctors give them prescribed blood thinners because they're saying, *"You're getting clots; what's happening?"* Nothing is happening. Those clots are accumulating; they're thicker and thicker.

They show that when you first get the jab, you have like grains of sand or coffee grounds inside your blood. They show the blood on a blood tray and you can see these little coffee grounds. That's in the beginning. But as you keep going, as the months pass on, they start coagulating, they start getting thicker and thicker, and the clots, the calamari-like chunks, the protein earthworm-like nasty serpents that are coming out of your neck, they get bigger and bigger.

I kind of gave away the whole punch line. When you hear it, you're like, *"Oh my gosh, there's Pastor again talking about this!"* But when you see that, folks, you are going to say, *"Holy shish kebab!"* This is ridiculous! It's criminal; it's absolutely criminal! How can they get away with this WORLDWIDE? Of course, they have legal immunity to do this. Do you know how many MILLIONS they will have KILLED in their cult of death? Which is, *"Well, the depopulation numbers are not so good. You know we have to do something really, really, really, hard. We have to improve technology and health care for the depopulation issue."*

These people are fanatic PSYCHOPATHS; they are psychopathically INTOXICATED by the death cult of killing, killing, killing people and depopulation. What does that mean? That means MASS MURDERING, mass killings!

Remember I was talking about this seven, eight, ten years ago. People were calling us *"Lunatics! You'd better not go to that church! What they're speaking about is so crazy."* Remember this? And all of you folks who came back under True Father's authority, they were calling you people crazy, and some of you have lost relationships with your family and friends and children. Remember this? Oh yes, you remember.

But look at what's happening? Look at the amount of evidence! Those who willingly foolishly BELIEVED the 666 Antichrist BEAST system of socialism, communism and political Satanism, look at THEM! They were hoodwinked and now they're poisoned. Now they have lumps growing in their bodies; literally they're growing. Spike proteins that are being replicated; white fibrous tissues that start as white layers and then slowly start accumulating. And the blood clots slowly start becoming chunks and calamari-like rubber plugs that extend and get elongated and take more and more of the vascular structure within your system; eventually leading you to croak, to lock up and freeze up and bam!

Think about it: if we were not preaching on this, how many people would have gotten the death jab! Oh my gosh! Just listening to the doctors and listening to the "science." Imagine how many

people would have done it, even people under Father's authority; if I was not preaching on this all the time people would have just foolishly done it like sheeple.

On the Fall

That's WHY they hate us! That's why they deplatformed us on YouTube! That's why they went after us on Facebook and everywhere. But all we're doing is sharing. We want people to do what? Seek "*the way, the truth and the life*" who is Christ, but through him we want to seek what? TRUTH! We do not seek deception and lies.

Look at what Father released in the Divine Principle! The Fall of man, that clearly shows the sexual nature of the Fall; shows that the Fall of all mankind and civilization starts with the sexual sins; that, illicit relationships, PEDOISM and grooming all start from there. This is the truth and Father was preaching that for seventy years receiving lambasting, hatred, mockery, all manner of, "*Go away! Go to hell Rev. Moon!*" etc., all manner of it. And yet we're the only ones teaching that seventy plus years; clearly written in Father's revelation - bam!- right there for the whole world to see.

Of course, they laughed at us; they said, "*Oh, the Bible doesn't say that. It's an apple, it's a peach, it's an orange.*" Give me a break! You're teaching Sunday school to your congregations leaving them inadequate, not understanding the nature of evil that actually controls this world. You have to know how to defeat the system; you have to know what the heck the system is. Dang on it. Amen!

If you want to take apart an iPhone or you want to build something better, you'd better know how that iPhone works, that Samsung android works. You have to know what that system is about and how it's held together. It's held together by money, power, yes! But how do they accumulate the money and the power? Through blackmail? Yes! Through backstabbing and all this? Yes, and then through what? What is the actual currency? The currency is children. Just like Satan used Eve as the currency; he monetized Adam and Eve and stole the whole kingdom. Are you with me, folks?

On the US Elections

What an incredible time we're living in! We're seeing this happening before our very eyes. It's unreal! And these things are now coming out more and more; it's coming out more and more. Trump might be the Republican leader in 2024; he probably will be because he's still massively popular and he still got a lot of good points about him even though he's got some whacked out points, especially with the death jab. Somebody should really get *Died Suddenly*, to him; he's got to watch this dang video because he got the jab twice too. That could have been his Achilles'

heel, the big blind spot; him trusting Big Pharma or colluding with it or making money from it or whatever the case may be. We don't know.

But even if he IS the front runner, what happened with the Electoral College? They stole Pennsylvania, they stole Arizona, they stole Wisconsin; they now stole all the major swing states. Even though he wins the popular vote and even though we're coming on mass and one hundred MILLION people vote for Trump, they can say, *"Well, we won the Electoral College."* *"Biden or Pelosi, Michelle Obama -or whoever they put up next- They won: they won! You Republicans you won in 2016 because of the Electoral College vote and you were so happy about that. Well, you may have won the popular this time..."*

Because of course, they're going to cheat and they're going to do voter fraud. It's probably one hundred million that will vote for Trump but of course they're going to say it's like eighty or maybe seventy-five or seventy. It's got to be under the eighty-one million that they say Biden got, even though on Twitter his following is not even half.

Of course, they're going to cheat, they're going to lie; of course, they're going to do voter fraud as they did; of course, they're going to steal it as they did. But even though they try, the numbers will be so ginormous because we are so fed up. So, what is going to happen? Of course, then he will win the popular vote but they control the Electoral College.

Look at Arizona as a case in point. Kerry Lake was clearly being defeated; Katie Hobbs was totally DESTROYING her, and then over the course of a couple of days it slowly started to change, *"Oh, we're getting in all these mail-in- ballots."* Tens of thousands of votes started accumulating, millions were pouring in, *"Oh! We won by 0.1%. You Republicans really did a formidable job; you really fought well. We beat you guys just a little bit but we applaud you because you really did come out in numbers."* This is what was happening.

Is Arizona just waiting for the legal team to do something about it? They know nothing's going to happen; nobody's protesting. Why? Because Americans know what the heck that means. Why aren't Americans like in China? Why aren't they at the point where they're rioting and stuff like that? Well, Americans know what that means. We have GUNS. Do you understand? When those kinds of riots begin that means it's civil war time, and nobody wants to start a civil war. You understand? We know it's COMING, but nobody wants to start it.

The good side has to be hit first; it's the wicked that must shoot the first shot. That's how it always happens. At Lexington and Concord, it was not the good guys that started shooting first against the British. No! The BRITISH opened fired on them and they fought in self-defense. That was three years after what? What were they doing in Boston? They were doing some big party. What was that again? *(With British accent) "The tea! Yes, the tea! Lipton, we stuff it up your rear end!" (Laughing)* They poured the tea into the water. And of course, three years later, boom! It's popping off!

January 6; it's not three years yet. So, why aren't Americans in Arizona protesting? Because everybody knows; everybody knows we've lost the soapbox, everybody knows we lost at the ballot box, and everybody knows there's only one more box called the ammo box. In America there's a common phrase: *"You got three ways to check the government: you got the soapbox, you got the ballot box, you got the ammo box."* People from other countries you're probably not going to get this but in America that's a common phrase. Is that true? It's a common phrase.

The FBI, the CIA & the Feds

So, we know Americans are not stupid. They're not stupid people, trust me; they have very high IQs, they work very hard and they're not dumb people. They know what's going on. The reason why they're not protesting as they do in China is because if you start like that, obviously there's going to be CIA people and Feds in there trying to pop things off and blame it on them, saying that they started shooting first. All this kind of stuff, misinformation and talk of war; all that kind of craziness is going to happen and it will literally be the kickoff of a civil war.

So, just like in 1776! In 1773 they started the Boston Tea Party. All the ravages of injustice were thrown against the colonists and the people by Britain, but they waited and waited and had to be patient. Some people are frustrated, some people are like, *"Get this thing going!"* But no, it's not something emotional; there has to be clear injustice done and then the good side must have the moral high ground. The good side cannot strike first; it has to be HIT first. Father said at least three times, then you can fight back.

So, what do we expect? We expect for them to use more and more ramping-up of gun confiscation and going after people; ATF going after this or that person, showing up in the middle of the night kicking doors in and people waking up, trying to defend their families and shooting back and then gunfights and boom! That's where you start seeing it pop off across the nation. Those are the kinds of fights that you're going to start seeing and probably in more leftist-controlled areas where they're trying to push heavy gun control, such as in PA that's now been taken over by the RADICAL gun-control lunatic Shapiro. Like Arizona now with RADICAL Kitty Hobbs. George Soros funded both of them; Bloomberg funded Shapiro in Pennsylvania with huge, huge funding of millions and millions and millions of dollars.

So, you see them now pushing the new gun control in these kinds of swing states. They're now preparing the state police system to get READY to go after people and SWAT team them, and of course they want to get this thing kicking. That's the reason why you don't see people protesting in Arizona yet, because the American public and the gun owners know what the heck that means. They know what the ammo box means, they know it's not a joke; they know you can't just whip it out. You have to have the moral high ground in a battle; you can't be the aggressor.

That's why the FBI, the CIA and the Feds go to such extreme lengths to try to make the patriots look like the aggressors. People were peacefully protesting on January 6 after an election that was stolen, now confirmed by Twitter and Elon Musk's inside emails. It's now CONFIRMED! They were DIRECTLY tampering with the election; they were DIRECTLY peddling misinformation. They were committing treason. These are not only criminal acts; these are acts of TREASON against the United States of America! You understand? These are acts that should be punished by capital punishment as you're stealing MILLIONS of people's votes which is a SACRED and critical thing for the trust in a representative government. Hello! Are you with me folks?

That's why the Feds always try to paint the patriots as these instigators and THEY are the poor little politicians; they didn't do any wrong! They just want to steal everybody's money and give it to their friends. They just want to do their job; they just want to do inside trading and get out billionaires. You know they're trying to be good little politicians and just trying to do their job. Why are you always picking on them and those multi-billionaires stealing from the people? Why are you picking on those poor people? Huh?

They'll take your gun but they have the CIA and secret service with ARs and MP5s and everything under the sun guarding those loony heads up in Capitol Hill town. They want to paint the patriots who were peacefully protesting as people who are radical, who are terrorists. They're calling them "domestic terrorists." Hello? They were singing songs! I guess this was a domestic terrorist song, "*God Bless America....*" (Pastor starts singing) That was terrorism! People gathered on the Capitol steps about an election which is now confirmed they STOLE; they cheated, they defrauded the people and stole their vote. It NOW came OUT; this week Elon released it.

What are they going to do? Of course, the Republicans are going to do nothing. These people are not going to jail, they're not going to be tried for treason. Not one of those blue-blood RINOs like Kevin McCarthy and Mitch McConnell will do anything. Mitch McConnell's wearing a Ukraine pin. Why don't you just paint Ukraine on your flappy chin? That could be your pin.

The point is: what are they going to do about all this criminal activity that's coming out? You see Americans are not stupid; they know what this is leading up to. That's why you look at the polls, 70 to 80 % of Americans believe that there will be a civil war because there's no end to the corruption, there's no stopping it.

People wanted to believe in the midterms, just like they wanted to believe in the Q stuff; remember that? They wanted to believe in the midterms, "*The midterms are going to be different.*" They have all the same systems, they have all the same apparatuses, they have all the same mail-in-ballots; they didn't get rid of any of that, but, "*It's going to be different. I BELIEVE Trump's going to come back!*" (Laughing)

It's sad to see this because it's like people are in a daze; they don't want to accept the reality which is hard and painful. It hurts that your country is dying and curdling; it's very hard for

people to admit that we are witnessing its death throes. People don't want to admit that. They want to hang on, *"Oh! Whoa! Whoa! Well, maybe it might be different."* Well, even though they have the same systems and the same cheating apparatus, the mail-in ballots and the ACT 77 and all that, *"Yes! It's going to be different because we're going to come out in numbers and we're going to ..."* Okay and then of course the midterms come by and they get destroyed. Another psyop, another demoralization, another HIGH and then another big low. Which of course is the way to psychologically demoralize a population of people; it's classical of lobbying and conditioning.

New Kinds of Prayers

So, what is it we can do? Well, the American people are doing something. You know what they're doing? We're praying, we're praying in higher numbers. How's that? When people are praying what are they doing? They're praying, they're taking their hearts straight to God. They're saying, *"God, I can't trust the government. God I can't trust the politicians and God I can't trust anybody. I got to come straight to You."* People are now creating prayer rooms. How many people now have created prayer rooms in their homes? People are creating little prayer closets. We recommend that.

Queens, when you want to nag on your kings, when you want to vent on them a little bit, go to your prayer closet. Go bring it to God. Don't do that to your husband; he just came back from a hard day. He just got beat up ten times. Don't vent on him right now. Go to your prayer closet; talk to God about it. Amen! How critical is that? People in record numbers now are starting to seek God again, starting to PRAY again. What is that doing? *"Well, it's not doing anything. Oh, prayers are not doing anything. We prayed during the midterms; we prayed in 2020."*

No, it's doing something. You know what it's doing? It's strengthening the relationship between the people and God. That's what it is doing. Without you seeing it, it's strengthening people's hearts; they're beginning to remember who they are.

It's not everything but morale is huge. Remember? Napoleon talked about the morale or the spirit of the army, that it's three times more important than its physical capabilities. Did you know that? Napoleon who conquered how much? One third of the world? He said this. See, we're like these generals that have conquered a third of the world. So, we think, *"Oh, it's not going to really do anything."* No, these are generals that actually conquered a third of the entire freaking globe, and they say, *"The morale of your troops is three times the power of their physical capabilities."* This is from the top generals of the world in the history of combat.

If that's true then don't you think praying is really important? It's REALLY important that we become a people of prayer once again; it's VERY important. If we know things are going to pop off. 80% of Americans believe a civil war is coming down the pipeline; we know something bad is coming. If we know the historical fact of warfare coming from the top generals who conquered literally huge swaths of the globe and say, *"Your people have to have morale; they have*

to have a purpose in the war, in the battle, in the confrontation. Morale is three times the power of their physical capability." Whoa! My gosh! Yes! You'd better be running, you'd better exercise, you'd better be powerlifting, you'd better be doing your drills and do your training and all that kind of things. You'd better be doing all that, but also, you'd better be praying. Amen!

And you're not praying because you're a coward and you're scared. No! You're praying just like good leaders do and kings should do, for what? For guidance and leadership and WISDOM. A lot of people say, "*Oh! This situation's getting bad. I got to pray,*" as if you were scared. Anybody may have fear about what's coming down the pipeline; that's a natural response. Our fighters and our young people when they're going out to train and they have to go fight other teams or whatever the case may be, then they'll feel the butterflies in the stomach; they'll feel nauseous and want to throw up. Why is that? Your body is shutting down. Your digestive tract is pulling all the calories and energy into your fighting mechanisms, into your fight-or-flight systems so that you can have more explosive muscular power, you can have a more explosive fight or flight.

You will be more powerful. Why? Because all the calories are not focused on digesting food or regulating melatonin for sleep, etc.; it's not caring about all that. EVERYTHING is going into the fight. That's why your body does that. That's why your digestive system is shutting down, that's why you feel nauseous and you want to throw up. All our young people, you feel this in the training, right? When you first start you feel like "*Oh my God! I'm getting nauseous.*" I'm sure there are studies on warfare, explaining that before battles people feel nauseous. Your body is acting that way; it's PREPARING itself.

So, when your body is preparing you say, "*Lord, give me the strength to be victorious in this battle.*" You're not saying, "*Lord, I'm scared! I need You! Oh, Lord, I'm scared!*" You're not saying that. You say, "*God, give me wisdom, give me courage, give me DECISIVE action at the TIME that is necessary!*" Are you with me, folks?

Maybe some American people are going to God because they're scared. Of course, that's the natural response, that's fine. But now more and more, that fear is becoming what? It's becoming a prayer. Not, "*Oh! God put this fear away from me! God ...*" like a paranoid. No! Now more and more people go to God and ask, "*God, how do I prepare? God, which people should I be connecting with? God, which ...?*" You see what I'm saying?

So, now more and more people, more and more Americans across the land, in this silent stealthy move of the Holy Spirit are starting to pray more, and not prayers of fear but prayers of petitionary request; prayers of "*Lord, get me ready! Lord, let me be strong! Lord, something's coming. Build up a fortress around me. I will do what You will. Whatever it is You need the American people to do, we will DO!*" These kinds of prayers are starting to be raised up to heaven as a sweet perfume. Amen! That's how the Bible describes our prayers, as a sweet perfume, a sweet fragrance unto the Lord.

So, think about it from God's perspective! The PRAYERS that He was hearing before, those were from paranoia, fear and a false hope. That false hope led from one demoralizing defeat to another demoralizing defeat, and all the politicians and all the systems have collapsed in front of our eyes. Now, people are no longer praying prayers of petitionary requests, *"Take away my fear."* Now, people are starting to say, *"Lord, God, something is coming. I now can admit it. I'm out of the Q zone; I'm out of delusional land and false optimism. I'm becoming more realistic. Something bad is coming, so prepare me; arm me."*

Even in the Christian landscape you hear more and more people praying, *"Lord, ARM us with the armor of God. Put on the helmet of salvation, the belt of truth, the breastplate of righteousness, the shield of faith, the sword of the spirit which is the word of God, with your feet shod with the preparation of the gospel of peace."* (Ephesians 6) Amen! You hear this more and more, is that true? You see what I'm saying? People are CHANGING their prayers from, *"Lord, TAKE this fear away from me!"* No, no! Now they're saying, *"Prepare me now."* Psalm 144 says, *"Blessed be the LORD my Rock, Who trains my hands for war, and my fingers for battle"* People are starting to pray more radical prayers, more biblical prayers. You understand what I'm saying?

Something DIFFERENT is happening in the spiritual ETHER that people do not see. But from God's perspective, think about it: God can see it, He can feel it. He can feel the difference in tone. Amen! God can definitely feel the difference in tone.

He will not SHOW us the entire path. He is a *lamp unto our feet, and a light unto our path.* (Psalm 119: 105) He will not SHOW us the whole path because IF He did, we would have doubt, *"God, I can't. There's no way! There's no way!"* If He showed us the whole road and gave us the five-year plan as if He was our employee - which He is not... He's not a genie; He is God Almighty. He doesn't have to give us ANY report. He doesn't have to give us the five-year plan. No, but He will show us as much as we need and that our faith can handle, that our strength can handle. He'll show us just the right amount. He won't show us the whole way.

Only Five Hundred Million

You, young people, you remember when all the death jab stuff was going on and all your friends in Japan, Korea, America and across the world, all of them were trying to pressure you?

- *"Why you didn't get the jab? You're going to kill Grandma. You're killing people. Don't you know you got to do it? Don't do it for YOURSELF; you got to do it for other people because you may spread the infection.*

* *The covid jab doesn't help; it doesn't stop the spreading.*

- *But you have to do it because like I may get it.*

* *Apparently you got vaxxed. Shouldn't the vaxx stop me from giving it to you?*

- *Well, you have to GET it ANYWAYS! Or you're a bigot, bigot! Stop being a racist! You're a conspiracy theorist!"*

You remember all that crap from these people? They were lunatics, they were in a total cult. They call us a cult? They were in a total government cult! And they attacked, they mobbed, they wrecked, they burned cities down. These people were crazy; they were possessed by the dance of Asherah sexual licentiousness. Oh, my gosh! They were POSSESSED by the spirit and the demon of the dance of destruction. Remember this?

You, young people probably encountered this too, right? Your friends were telling you:

-“Why aren't you getting the jab? You know you're going to kill somebody; you're going to hurt somebody; you're going to spread it. What if Grandma and my grandkids get it?”

All these older conservative males were saying:

-“Oh yeah, you know I got the jab because I didn't want to give the virus to the grandkids.”

**“Your grandkids had no threat of getting it! 99.999 %! There was no threat for them of being harmed by it.”* You see what I'm saying? That's how detached they were from the reality.

Then you'd be telling them:

**“PLEASE! LISTEN to the actual experts!”*

-“ Oh no! I know my doctor. I know my doctor. I've been going to him for 20-30 years.”

And now they've got calamari growing in their carotid arteries. What the heck? What the heck? Well, it's not actual calamari it's a calamari-looking-like protein rubbery-like substance that is now replicating, and the longer gestation period it has the longer and bigger those clots get.

Anyway, you'll see that in the movie *Died Suddenly*

<https://rumble.com/v1wac7i-world-premier-died-suddenly.html> .

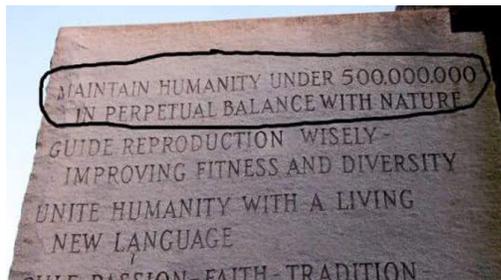

It's unbelievable! But this is the kind of reality we had to deal with and it will continue.

We see that in China things are now starting to erupt because they're trying to start the lockdowns again etc. And of course, if they try to start that worldwide again there's going to be Romper Room everywhere; there's going to be Romper Room. America is not going to deal with another lockdown stuff again. I mean Europe is probably going to go Romper Room too; even Canada may go Romper Room.

I mean look at the Netherlands; they're some of the most pacifist people on the planet and they are driving their tractors in the middle of the highway blocking it all up so nothing can happen. And now the police are coming in with the heavy machinery and tipping them over with the farmers actually in there still; tipping over the tractors with farmers actually in there getting injured and heads busted up. Of course, you see totalitarianism increase, so they may try to do another lockdown with another super spreader. Remember the super spreader and all that? They've got now a forty percent increase of deaths worldwide; they've succeeded in a huge population reduction system which they were SALIVATING about.

These elites like Bill Gates, Klaus Schwab and George Soros, all of them, (Speaking with Schwab's accent) *“Zere are too many people on ze planet; we must reduce ze population.”* Give me a break! Lord, have mercy! Are you kidding me? I mean they've ACCOMPLISHED that with the

death job. Now forty percent increase in deaths worldwide, but of course they're not happy with that; they're not happy with that.

I'm sure they were a little surprised when the Georgia Guidestones blew up. They built the satanic monument that says "500 million will be the balance of the planet" and then all the spoils of the world will be theirs basically. They put the number at 500 million on the Georgia Guidestones which somebody blew up. Somebody

went in there, blew it up and ran away and there was a media blackout about it; we didn't hear anything about it. If it was the Feds that were doing it, you would hear a lot about it. But somebody blew it up and ran away and then you heard nothing about it again.

9/23/17 Once in 7,000 Years!

What's going on is incredible; we're in the midst of a worldwide collapse. Of course, we knew that; we knew that. Why? Because, Father is who he said he is. Who are the candidates to be the Returning Lord? Who are the candidates that in the Bible have exposed the real nature of Satan's entire apparatus and 666 Antichrist Beast, which is pedoism and the Fall of Man? WHO's exposed that?

In **Revelation chapter 3 verse 12** we read, "*I will write upon him my new name.*" Holy shmita!

It says in **Revelation 5: 9** that the people of God will be singing a new song, "*And they sang a new song,*" and that the elders cannot understand it because it is in a non-biblical language.

"And they sang as it were a new song before the throne, and before the four beasts, and the elders: and no man could learn that song but the hundred and forty and four thousand, which were redeemed from the earth." (Revelation 14: 3)

It SAYS that right there! Christians don't read it but it says it right there. It says the Seal of God comes from the East. And on 9/23/17 ALL the Christian world of prophecy was saying, "Look! The stars are lining up. The Virgo constellation is holding the star Jupiter which is the king planet and it's in the womb of Virgo for nine months exactly, and it'll be coming out on 9/23/17. At the same time the stars are aligning and the constellation above Virgo which is Leo has nine stars but then Mercury, Mars, and Venus will be IN that constellation making 12 stars."

The Bible says in **Revelation chapter 12 verse 1** that the lady is what? Wrapped in the sun with the moon at her feet wearing a twelve-garland crown: "*A great sign appeared in heaven: A woman clothed with the sun, with the moon under her feet and a crown of twelve stars on her head.*"

So, ALL of Christendom, all of Christian prophecy on the internet everywhere was proclaiming: "It's coming! The blood moons are all lining. "You remember this? "On 9/23/17 something BIG is coming! Something BIG is coming! JESUS is coming back!" This is what people were saying. There were famous prophecy people on the net saying, "JESUS is coming back!" This was 9/23/17. Remember this?

We had the actual data. I showed you actual pictures from NASA that displayed the Virgo constellation right there. Bam! The Virgo constellation and the alignment of Mercury, Mars, Venus right inside the Leo constellation making twelve stars right there; the garland above her head right there. See, the Virgo constellation, the moon at her feet. This was actually a picture from NASA and it

happened. The stars aligned on that day as Revelation chapter 12 predicts.

Right here: a woman had a child in her womb, that was Jupiter, the king planet. It was doing a retrograde motion for the last nine months. Remember this is retrograde because the planets do circles when they retrograde. So, it was doing retrograde circles inside her womb. For nine months it was gestating, and then it would come out. Isn't that crazy? And look at all the blood moons that were coming up! The tetrads and the four blood moons, they were all lining up on that day; everything was lining up. They were saying, "Something is coming, Jesus!" Remember this?

The day came. The Christians were saying, "Okay, well, what happened?" But WE know what happened: on that day we had the Cosmic Blessing of True Parents on the PERFECTION LEVEL! True Mother was enthroned as the TRUE Mother, the woman clothed in the sun with the moon at her feet, wearing the twelve-garland crown with twelve stars, reclaiming the full Four-Position Foundation of God and the Three Generation Kingship. Hallelujah! Let's give Him some glory, folks! (*Applause*) We know there was a COSMIC event.

The Rod of Iron Kingdom

And right after that what happened? That's when the Rod of Iron message came forth, right from there. Remember that? Then in February of the following year that's when the Rod of Iron Blessing took place. Remember that? The kings and the queens came in with their crowns and their Rod of Iron and that went worldwide to three billion people across the world - right after the 9/23 event. Every eye saw that in the world; it's estimated that three billion people saw that.

How did that happen? On that particular day a woman clothed in the sun with the moon at her feet, wearing the twelve-garland crown with twelve stars, and having the serpent trying to

destroy her, gave birth to the Rod of Iron Kingdom. On that day, the full manifestation of True Parents' Four-Position Foundation, the ideal of the purpose of creation was established.

We saw this talk about prophecy ALL across the Christian world landscape, but nobody understood. That day, even for the Christian prophetic teachers just came and went. They were like, *"Oh well, I guess, we were kind of thinking that something would happen in Jerusalem or something; that somebody would issue a peace treaty or the Antichrist would build the Third Temple. We were kind of thinking of that, or that the red heifers would come and be sacrificed in Jerusalem."* Remember that?

But this is the Cosmic event that happened; the world literally changed. The message of the Rod of Iron Kingdom got burst; Father in Heaven the Three Generation Kingship on earth, and the Kingdom of God Constitution started going out into the rest of the world. Wow! Praise God! UNBELIEVABLE! This kind of COSMIC event happened with all the stars lining up!

So, WHAT other candidate for the Lord is there? Where is he? We're in the End Days when Jesus is supposed to be coming back to the earth, even though some prophecies said, *"He's not on the scene yet; he's still growing so he may be two, three, four years old."* Because they hearken back to **Daniel chapter 9** and they also hearken back to different chapters of Scripture that talk about the days of Daniel and the weeks of Daniel and the seven-day period and the 1,260 days and all these kinds of things which they have made into a pretty elaborate seven-year period, three- and-a-half year period, and **Jeremiah chapter 13** being the mark of the Beast, etc.
<http://dedication.www3.50megs.com/dan/1260.html>

Where ARE the other candidates? There's only one that fits their description. AND, look at the fruit! What is the fruit of his Kingdom? Is it tyranny? Is it totalitarianism? Is it communism like all these other cults?

Even in basic Christian eschatology a lot of normal Christians believe that when the Kingdom comes it's going to be like a socialist Jesus land; they're going to be doing nothing, they're just going to be in Paradise with Jesus. I always say and I kind of overuse it, but it's like pina colada days; we're going to have pina colada on the beach with Jesus. He's going to take care of everything. We're going to have free money from Jesus government, we're going to have free housing from Jesus government, we're going to have mansions and everything. They're actually dreaming of Cuba! But the Bible does not give you a Cuban Jesus.

You Have to Judge

You're in the Kingdom, you have RESPONSIBILITY; in fact, you have to judge. You have to judge the nations, particularly the tribes of Israel. What does judgment mean? That's a scary thing. You see people don't want to be the judge because when you are the judge you actually have to kill, you have to execute the law; if there's capital punishment you have to say, *"Do it!"* You can't act emotionally, and even if it's your child who committed the crime, you have to be

fair and just and say, "KILL HIM!" if it's proven that he's done that crime. You understand? Nobody wants to be judge.

Everybody likes it when God talks about that in His Word and we're like, "Yeah, yeah! YEAH! We're going to. Yeah, God is good! What did He say? What did He say? Hold on! What did he say? Okay! I got to have responsibility; I got to do hard things. Oh, my gosh! I'm going to have to hold the power of life and death over people? Oh, my gosh! Wait a minute! Wait a minute! I didn't sign up for this, God!" You see, now they start to backtrack.

It's the same thing here with Saul and with the Amalekites; when the hammer of judgment fell, he was supposed to wipe them all out. ALL! But what did he do?

⁹ But Saul and the people spared Agag, and the best of the sheep, and of the oxen, and of the fatlings, and the lambs, and all that was good, and would not utterly destroy them: but everything that was vile and refuse, that they destroyed utterly.

He spared Agag. What did he do? He spared the lambs and the fatted calves and you know what he said? He even had the stupidity to rationalize it. He said, "You know I'm keeping those to give to God in sacrifices." I love how he tried to rationalize that! Do you see that? He tried to rationalize that, "I'm keeping it for the sacrifices. I'm doing it for God. I'm disobeying God for God." It's funny how that works, right?

Like the Kwak group, stealing two billion dollars from Father, "You know I'm disobeying Father, I'm stealing this money for Father's sake." You understand how evil always works, right?

³² Then said Samuel, Bring ye hither to me Agag the king of the Amalekites. And Agag came unto him delicately. And Agag said, Surely the bitterness of death is past.

³³ And Samuel said, As thy sword hath made women childless, so shall thy mother be childless among women. And Samuel hewed Agag in pieces before the LORD in Gilgal.

But God said, "No!" He actually made Samuel come, bring Agag and do what? The Bible says, "You got to hew him." What does hew mean? It's like when you're hewing a piece of wood with an ax; you're chopping it up and then skinning it off. Hewing is when you're chopping cuts into it, doing vertical cuts where you're skinning parts of the whole log off. The Bible says, "*Samuel hewed Agag.*" He gave him a TORTUROUS death.

Then what happens? God does remove the blessing from Saul even though he tries to make up for it and tries to support Samuel killing Agag. In the end God says, "No, no!" Why? Because the higher the central figure position is, the bigger the weight of the consequence. Are you with me, folks? The normal citizen can mess up on this and that problem, but if Trump is the president and he messes up on the national level, that has a big, big, impact. Same in God's providence: if the central figure messes up it has a BIGGER impact and he takes the bigger burden of that

responsibility. So, in the case of Saul even though God had anointed him, God took that anointing away. Why? Because Saul tried to rationalize. He even said *"I feared the people."* Did you see this?

Not a Democracy

24 And Saul said unto Samuel, I have sinned: for I have transgressed the commandment of the LORD, and thy words: because I feared the people, and obeyed their voice.

So, did he obey God or did he obey the people? Huh? He obeyed the MOB!

That's like democracy; that's why democracy always FAILS because the politicians try to obey the mob that of course want what? More and more free stuff from the government; which means what? More stealing, more theft and then implosion. Democracies always DIE! That's why we're not a democracy.

These young kids are so brainwashed; they don't understand that America is not a democracy. You, bums, bums! It's a REPUBLIC, a representative REPUBLIC! It's different from a democracy. Our Founding Fathers HATED democracies because they knew from Europe that all democracies fail and they lead to what? Mob rule. Are you with me folks? But now we've become a democracy; we've moved from republic to democracy where we actually are ruled by mob rule and politicians appeal to the mob.

We saw with BLM and Antifa and all this, that political violence can be done to one group but it can't be done to other groups. Namely that they can ask for violence, they can ask to kill the patriots, kick them out of their businesses if they voted for Trump. Remember this? Maxine Waters coming out and saying, *"We've got to chase them out of the restaurants; we got to chase them out of the gas stations; we got to..."* Remember this? It's okay if they do it to the people who voted for Trump. But if you try to politically ostracized them, well then, they're coming after you with all the money from George Soros, Bloomberg, Gates etc., combined. They're coming after you with CENSORSHIP and shutting you down and taking away your freedom of speech and everything; which of course is now confirmed on Twitter.

Not Spoils of War

Look at what Saul said: *"I feared the people, and obeyed their voice."* Oh Lord! He wanted to give them the spoils of war, but God said, *"No, I condemned them. I've judged them and I'm using you as the hammer of judgment. You can't go in there and commit another crime of theft."* You see what I'm saying? When God used the Israelites as the hammer of judgment against the Amalekites, He didn't give them permission to engage in theft. He said, *"Destroy it all! Don't take those expensive calves, don't take those expensive cows, don't take those expensive goats and sheep. Don't take anything; you destroy it all."* Which means what? *"You will not profit from this at all. It is purely a righteous*

judgment; it is purely a punishment for their crimes. You don't get to ADD on that by committing the crime of theft. You destroyed the majority of the armies"

Since they committed the theft and they ROBBED, these are spoils of war. They took it even though God said, *"Don't do it."* These are not spoils of war of a normal battle; this is JUDGMENT. Are you with me? You can't enact judgment and try to steal. Does that make sense? Otherwise, YOU are committing a crime.

So, the battle has to be righteous. The battle has to be righteous and the people fighting that battle must be righteous; they can't be profiting off of the normal spoils of war, which are rape, pillage and plunder. These are normal historical spoils of war: raping women, stealing property, plundering, stealing gold and goods and farm animals. That is how they incentivize young males to fight in the wars and get all the girls they want and get all the money they want if they work for this or that political leader. But GOD's system is not that. When He brings the judgment down it's NOT for the spoils of war; you cannot go in and profit off of it. Your purpose is to enact judgment, not to profit. See the difference?

So, God was ANGRY because Saul did not train and discipline his people. Even though He smote them, GOD led them in the foothills, GOD led them on the field of battle to WIN that battle against the Amalekites. GOD was on the field and then in HIS name they plundered and stole and committed THIEVERY! Now you see why He's angry? He was angry because He told them, *"Don't do that! You're coming because they have committed all these heaps of crimes and now they will get the judgment, but you will not profit from this."* But they did.

And even though Saul tries to make up for it and kills Agag, and hews him to pieces in front of God, God says, *"No, it's still not enough because your original heart was not of faith and obedience. You wanted to be popular and you followed the MOB; you didn't follow Me. You did 99% but you didn't do that last 1% which is the finalizing. It's the cutting of the doves; it's the final offering that has to be made in the judgment. You didn't do that. Yes, I made you hew Agag in front of me. I made you do that so at least you did that, but still the mantle now will be given to David."*

Saul is angry with that, isn't he? It goes on to the next chapter and further on where he goes and is now trying to kill David with vengeance.

Fight for Freedom!

It's the same kind of thing. Our Founding Fathers did not fight the Revolutionary War for booty, for bikini girls, for plunder and robbing houses. Is that true or not? They DID NOT fight that war for girls, booty and plunder. They fought the war for what? Freedom, liberty; freedom from the TYRANNY of Britain.

They were not fighting for the spoils of war, they were just fighting to be free, *"Just get off our BACK! GET OFF our back! Stop TREADING on me! LEAVE us ALONE!"* You see what I'm saying? That's why they were fighting, *"STOP RAVAGING our families and taxing us out of existence!"*

LEAVE us ALONE!" You see this is very different; a very different reason for battle. They didn't go, "Yeah! Let us go fight and enrich ourselves! We can get all the women and all the beauties and all the riches. "No! They didn't do that! They weren't pirates. They actually decided, "Just get off our BACK, you evil Red Coats! Get the heck out of town! Stop BOTHERING us! We want to live in PEACE! Stop wrecking our services; stop forbidding us to sing HYMNS!" This is the reason they had to fight." STOP INTERFERING with our normal life!" You see, that's why they were fighting; they were not fighting for booty and plunder.

It's the same in the time of judgment. When these things ESCALATE to a higher point God's side MUST not fight for booty and plunder. We must fight for what? Freedom! Can I get an amen in this house? (*Amen!*) Are you with me? Not for girls in bikinis and freaking booty and plunder! No! We have to fight for freedom; the gift of freedom to be shared with all, protected for all. It has to be a moral cause, a righteous cause. Remember what Napoleon said, "*Three times the power of the physical attributes is the moral cause.*"

STAY STRONG, patriots!

STAY STRONG, America!

GOD has not forsaken us yet as long as we don't forsake Him! Amen! He is here with us.

Let us pray!

Pastor Sean's Prayer

Father God, we thank You for this beautiful day.

We thank You for Your Word that You shared.

We thank You for the incredible stories of Scripture in Samuel. We see David and Saul and ALL the preparation You've made. And that in a time of judgment when You COMMAND that the hammer of judgment falls, that is NEVER for booty and plunder; NEVER for girls and the spoils of

war. NEVER, NEVER, NEVER!

It must always be for the RIGHTEOUS cause.

It must be to be FREE!

It must be for freedom, liberty.

It must be to STOP the wickedness of the sex trafficking and the pedoism and the child-prostitution that existed and was the CORNERSTONE of these civilizations that had received judgment.

Dear God, we know that a JUDGMENT is coming and expanding across the WORLD and now countries are in UPHEAVAL and You are hearing our prayers. Prayers that are moving from fear and paranoia to now strength, and saying, "*God, give me COURAGE for the storms that will be coming. I cannot AVOID them; there's NO WAY to avoid them now. I've now come to that place of peace. I'm no longer going to be hoodwinked. I know that there is a judgment and there is a storm coming*

but my feet will be shot with the preparation of the Gospel of peace. My head will be wearing the helmet of salvation; upon my chest will be the breastplate of righteousness; upon my arm will be the shield of faith; girding the loins will be the belt of truth, the sword of the spirit which is the Word of God." The armor of God will be given to us at this critical time.

Dear God, You are hearing the cries of Your people. You're hearing the cries of the world. You are seeing things more and more becoming exposed even though we feel like nothing is happening and everything is going in the wrong way.

Dear God, YOU have the twenty-thousand-foot view; You see the entire picture and all the pieces that are moving and that You are moving with Your invisible hand. You are moving through this place; Your Holy Spirit is strengthening people. People are now going over the humps of fear and the valleys of fear and they're starting to RECEIVE a supernatural COURAGE that we will need in the days ahead.

Dear God,
 give us wisdom and discernment,
 give us powerful friendships and networks;
 give us powerful wisdom in this critical time.

We know that as the world gets worse and it collapses even more, that is only the sign of Satan's KINGDOMS that are collapsing. YOUR Kingdom that is everlasting, Cheon Il Guk, the Kingdom of God, the new Heaven and the new Earth is COMING to this world. And we are facing and PRESSING on like STRONG soldiers with You on the battlefield in this epic and heroic QUEST that You have called us to be on at this critical time.

We stand with You forever and ever, in Your precious name. Amen! Amen! Aju! Hallelujah!

Folks, let's all rise and give God some glory!
