2017 Cub Scout Camping

Cub Camping Opportunities in 2017

Balboa Weekends - In 2017 we will have several opportunities for theme based single day, single night camping at Camp Balboa. This is a great opportunity for your first camping experience, or a stay and play in San Diego.

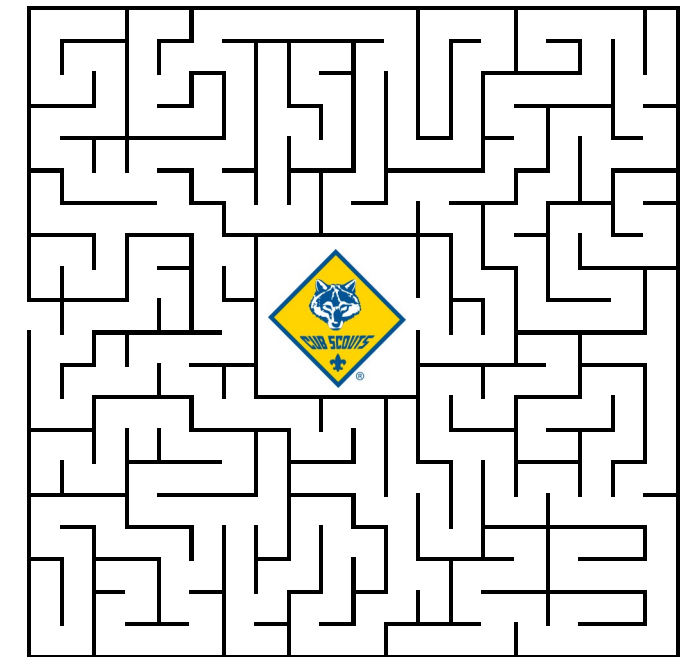

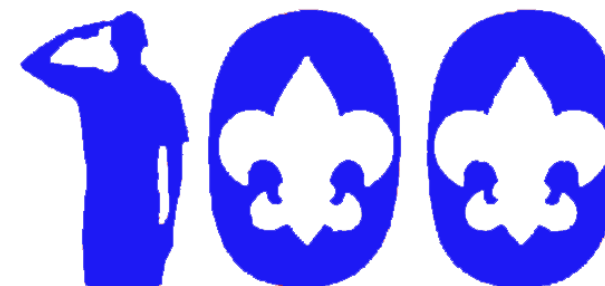

Mataguay Fun with Family - For those families that are looking for the mountain adventure, check out our great fun weekends at Mataguay Scout Reservation located near Santa Ysabel. These weekends include: shooting sports, fishing, canoeing, swimming, hiking, crafts and astronomy. Plus, we make the food for you.

Holiday Family Camps - On Memorial and Labor Day, come up with the whole family to experience what it has to offer, but you cook your own food and have the camping experience with other families in your Pack, or just on your own.

District Day Camps - A 1-5 day theme based event in your district area that incorporates Cub Scout ideals, as well as the outdoor experience.

June 26-30

St. Michael's Poway

New for 2017

Webelos Winteree - A one day experience in February at Camp Fiesta Island located in Mission Bay. This camp will be focused on working on the "Castaway" belt loop.

Cub Day by the Bay - New for 2017, we are having a one day experience at our aquatics camp at Camp Fiesta Island. Cubs and families will get to enjoy a day at the bay with an introduction to the exciting programs available at Camp Fiesta Island, including, swimming, canoeing, giant water slide and so much more.

Bear/Webelos Resident Camp - 4 days of camping at Mataguay Scout Reservation during the summer that allows 3-5 graders to experience the full opportunities of MSR including Horses.

Family Resident Camp - 4 days, 3 nights of camping at Mataguay Scout Reservation and enjoying all that MSR offers including horses, shooting sports, water fun, hiking, climbing and more for the whole family.

Lions, Tigers & Bears...& Wolves New Cub Orientation - This one day event at Balboa will introduce new Cubs to all the different areas of Scouting available to them.
