

Northeast Region
Order of the Arrow

Northeast Region High Adventure Scholarship Information

The Northeast Region high adventure program scholarship was created in hopes to provide monetary support to Arrowmen within the region by paying a partial or full scholarship to one of the Order of the Arrow High Adventure programs at Florida Seabase/Ocean Adventure (OAOA), Philmont Scout Ranch/Trail Crew (OATC), Quetico Provincial Park/Canadian Odyssey (OACO), Charles L Sommers Canoe Base/Wilderness Voyage (OAWV), and the Summit Bechtel Reserve/Summit Experience (OASE).

It is the purpose of the region to provide for first-time participating Arrowmen in hopes to enlighten their Order of the Arrow experience through participation in one of these programs. These programs are the epitome of what the OA represents: brotherhood, cheerfulness and service. It is for this reason that the Northeast Region and its leadership find it so imperative to not only support these programs, but to also offer financial assistance for Arrowmen to help pay for the program costs.

Although it is not a requirement to be an active member in the Order of the Arrow to participate in any of the OA High Adventure programs, this high adventure scholarship is reserved for those individuals who exhibit interest and service as well as a future commitment to the Order of the Arrow in their home lodges and sections. It is expected of the recipients to continue their service in the Order as well as bring their enthusiasm gained from these programs back to their home councils, lodges, chapters and units. Each recipient will be required at the end of their experience to provide the region with an account of their experiences that can be posted on the region website for recognition and promotion for the programs and the scholarship.

The amount awarded to recipients will be up to \$250. The Northeast Region Key 3 will determine the committee that will select the recipients each year.

Requirements to be considered for the OAHA scholarship:

1. Must be a first time participant in an OAHA program prior to submission of the application.
2. Must have current lodge dues paid for the upcoming year.
3. Must have approval from the lodge adviser.
4. Must meet all requirements and be admitted to an OA High Adventure program.

Applicants will be notified of their selection no later than April 15th. The scholarship money will be sent from the region in the form of a reimbursement check after they have attended the program unless set up otherwise in conjunction with the Northeast Region Key 3.
