## Education

### **Carnegie Mellon University | Tepper School of Business**

Pittsburgh, PA | May 2017 | GPA: 3.4

BS in Business Administration | General Management

Minor in Psychology

## Projects

### **Freelance UX/UI Designer | Cup & Leaf**

New York, NY | Mar 2018 - Apr 2018

Designed the full site for Cup & Leaf, a

luxury tea company. Created the homepage, article pages, and review pages with the goal of generating tea sales by driving traffic to blog.

### **Freelance UX/UI Designer | Growth Machine**

New York, NY | Jan 2018 - Mar 2018

Redesigned the site and blog for Growth Machine, a content marketing agency. Co-designed each iteration, user tested, communicated milestones with the client, and handed off final product for implementation.

### **Team Member | CMU-Qatar Case Competition**

Doha, Qatar | Apr 2017

Won first place in 48-hour sprint to formulate business plan for Sadia Chicken. Performed market analysis, financial analysis, and user testing to design and pitch solution to 4 Sadia executives and 5 CMU-Q faculty members.

### **Product Manager | Hack-A-Start-Up Hackathon**

Pittsburgh, PA | Oct 2016

Won first place in 48-hour sprint to create a start-up. Collaborated with designers and software engineers to develop MVP. Pitched start-up to audience and judging panel of 3 C-Suite professionals.
