- Freycinet National Park Tasmania

Why we are different.

- Student-led
- Real leadership opportunities
- Travel based, journeying theme
- Active participation
- Sequential programming
- In-school planning with teaching staff

We make the school camp process simple.

Step 1

Apply.

Apply online to work with Out**Beyond**.

Step 2

We visit your school.

We visit your school and work with you in developing a tailored program suited to the unique needs of your students.

Step 3

Pre-Camp program.

Out**Beyond** educators run a full-day program at your school including student ice-breaker & planning activities, teacher onboarding workshop and a parents information session.

Step 4

Camp Program.

Step 5

Program Review & Feedback.

Out**Beyond** will meet with your camp coordinator and discuss the programs effectiveness in detail including:

- Provide teachers with tools to continue in the classroom.
- Present and review Teacher & Student feedback forms.
- Discuss any issues or concerns.

Phillip Island Victoria

Duration: 3-5 Days **Ages:** Grade 5 to Year 10

Stay: Hardtop and Camping

Allow your students a journey of exploration and discovery as they travel along the beautiful coastline of Phillip Island and the surrounding natural environments. Watch and support in enjoyment as they tackle environmental challenges as a team, solve problems and have lots of fun enjoying our coastal camp destination.

The perfect school camp location for your students. Phillip Island is an ideal camp destination for both residential and journey based programming. Our local experience and local knowledge gives your school a fresh perspective on camp programming and delivery - going places and seeing sights you may have never seen before.

Aims: Students will develop a deeper appreciation for nature through working with Parks Rangers,

taking part in local indigenous cultural activities and adventures on the land and water. Through OutBeyond's unique Leadership and Development Program, students will take on an active role within the team, which allows for the development of a number of key life skills in our program participants.

Let **OutBeyond** create a bespoke program for your school

Grampians National Park Victoria

Duration: 3-5 Days **Ages:** Grade 5 to Year 10 **Stay:** Hardtop and Camping

Learn about traditional aboriginal culture and the Gariwerd (Grampians National Park) through a semi-journey based school camp program.

Explore Budja Budja (Halls Gap) and the surrounding National Park as your students take on key leadership roles and responsibilities whilst participating in canoeing, mountain climbing, rock climbing, abseiling and a wide range of nature based outdoor adventure activities.

Aims: Through this Western Victoria nature-based camp program, students will undertake a journey of self-discovery through the Gariwerd, gaining knowledge on local indigenous culture and environmental challenges through education and hands-on activities with local officers.

Your school may wish to take part in our service -learning activity with the conservation volunteers of Australia

Through Out**Beyond's** unique Leadership and Development Program, students will take on an active role within the team, themed to the Grampians, which allows for the development of a number of key life skills in our program participants

- Stand Up Paddleboarding

Mornington Peninsula Victoria

Duration: 3-5 Days **Ages:** Grade 5 to Year 10 **Stay:** Hardtop and Camping

Adventure into this spectacular coastal and marine environment as your students explore and discover the natural wilderness of the Mornington Peninsula. Allow your students to participate in this student-led Leadership and Development Program.

Less than an hours drive from Melbourne, the Mornington Peninsula OutBeyond program is the perfect school camp location for your students. Supporting students of all needs and abilities, this program gives students the opportunity to plan, manage and lead their own program with the full guidance and support of the OutBeyond instructors and facilitators.

Aims: Students will develop a deeper appreciation for nature through working with

parks rangers, taking part in local indigenous cultural activities and adventures on the land and water. Through OutBeyond's unique Leadership and Development Program, students will take on an active role within the team, which allows for the development of a number of key life skills in our program participants.

Freycinet National Park

Tasmania

Duration: 5-7 Days **Ages:** Year 8 to Year 11 **Stay:** Camping with some Hardtop

This picturesque Freycinet National Park on Tasmania's East Coast is the perfect location for your school's next expedition, by land or by sea!

Freycinet Nat. Park as a natural resource for exploration is almost unparalleled on the Apple Isle. Easy Access from both major city centres puts it in an ideal location for maximum exposure to everything it has to offer.

From overnight hikes in to one of the most beautiful beaches on the world, to sea kayaking adventures in the secluded yet safe surrounds of Coles Bay, Students will be fully immersed in the Travel and Exploration Culture of Freycinet.

Aims: Student planning and preparation for interstate programs is especially important and with the support of OutBeyond they will be

actively involved at all stages of preparation. Ideal for Duke of Edinburgh Adventurous Journey programs as well as schools looking to provide a great opportunity for skills building like leadership, resilience, teamwork, safety and risk management, communication, environmental education and conservation. Freycinet National Park is world renowned and providing students the opportunity to grow through delivery of the OutBeyond Leadership Development Program in such an environment is an experience that staff and students will never forget.

Let Out**Beyond** create a bespoke program for your school

- Fishing

Cape Otway

Great Ocean Road, Victoria

Duration: 3-5 Days **Ages:** Grade 5 to Year 10 **Stay:** Camping with some Hardtop

The world famous Great Ocean road, known for the 12 Apostles and the Cape Otway Lightstation is the ideal location for your next school camp program.

Set in the beautiful and magnificent Great Otway National Park, just under 2.5 hours drive from Melbourne, this camp destination offers a wide range of activities within the unique coastal and bushland environments.

From spectacular cliff top views along the Great Ocean Walk, to river and lake systems for water based activities, the OutBeyond camp program gives your students the opportunity to develop a wide range of outdoor leadership skills such as resilience, grit, good communication, teamwork and empathy.

Aims: Students will work together as they navigate their way throughout the park on our journey based camp program. Learning about the ecology of the Otways, students will take part in amazing outdoor adventure activities such as surfing, snorkeling, rafting, canoeing, sea kayaking, bushwalking, rock climbing and more. As they take on active leadership roles they will be responsible for managing their day to day tasks and challenges.

Melbourne City Victoria

Duration: 3-5 Days **Ages:** Grade 5 to Year 10 **Stay:** Hardtop and Camping

Let your students learn on an Urban journey based school camp experience where they will travel around Melbourne city by foot, tram, bus, bicycle, canoe and underground subway train.

Highly suitable for regional Victorian schools, this program gives students a team challenge and purpose as to why they are exploring Melbourne city, where students will be taking notes as they wander the streets of Melbourne in preparation for a Major Tourism submission to Visit Victoria.

Students will have the opportunity to visit the iconic Melbourne tourism spots as well as educational centres such as Scienceworks and the Melbourne Museum. Using their student myki cards, they will navigate their way through Melbourne city to

locations set in the itinerary, solving problems, learning about the City and its history as well as identifying potential tourism challenges for the Major Tourism event,

Aims: Like all OB programs we link this program to your school's curriculum, much like a school excursion. Students will gain a deeper understanding of the City, understand and appreciate other cultures, and develop a range of key life skills.

Let Out**Beyond** create a bespoke program for your school

Activities

- Canoeing on the Yarra River
- Rock climbing
- Cycling
- Beach Safety
- Sailing on Albert Park Lake
- Urban Accommodation

Leadership Incursions at your School

Duration: 1-2 hours **Ages:** Grade 5 to Year 9 **Group Size:** 1:25 **Cost:** \$10-\$15/head

Allow your students a short leadership workshop with our company to enhance their understanding of leadership, develop their empathy towards others, and increase their resilience and grit.

Our incursion programs give students the opportunity to work and have fun with our trained facilitators as they experience initiatives, games and activities that promote the development of a number of key life skills.

Aims: Through highly interactive workshops and activities in your school, our facilitators are able to give your students a deeper understanding in the importance of good communication, working as a cohesive and inclusive team, positive and negative leadership attributes, empathy towards others, all through adopting a growth mindset and striving for excellence in everything that we do.

Incursion Options:

- Fun Leadership Workshop
- Interactive team communication challenges workshop
- Problem solving and critical thinking workshops
- Outdoor education and First Aid scenarios

Pre-school camp incursions

- Trip planning and leadership training
- Outdoor Equipment: Trangias, tents, camping gear, compasses, first aid
- Navigation activities
- Risk Management and Safety training
