#NoToPlastic COMMUNITY CLEAN UP

K. Rabuck

Arriving by Car

Enter Knowland Park from Golf Links Road. You will see a ticket kiosk with a parking arm.

If the arm is up and kiosk is off, drive through.

If the arm is activated, take a ticket to lift the arm and drive through.

#NoToPlastic volunteers do not need to pay for parking. You will be given a wristband at the end of the event. Show this wristband for free admission to the Zoo and parking. ***If you lose your wristband, you will need to pay the \$10 parking fee.***

You will be asked to park in the Lower Lot and walk up to the Lower Entrance ramp.

Check In

Please check in at the table at the Lower Entrance ramp by **9am**. Shuttle leaves at 9:15am.

All participants must complete and sign **2 waiver forms**, one for the Zoo and one for the City.

All volunteers under 18 must have their parent or guardian complete and sign **BOTH** forms.

Volunteers are encouraged to complete these forms in advance to ease the check in process. All forms must be completed before any individual may volunteer.

Up to 5 volunteers may appear on the same waiver as long as they are in separate sections with signatures for each individual.
