Daniel 1:1-8a

We have a future waiting for us in Heaven, so we know that we can obey God and not conform to this world!

A lot of us typically don't think of ourselves as foreigners, but because we follow Christ we are foreign to the world and await a Heavenly home! What does the Bible say this Heavenly home will look like?

What does it mean to not conform to the world?

Daniel was in a foreign land and drew near to the Lord for strength; we are foreigners just like Daniel- yes, even those of us who were born in the US! Color in Daniel praying as you think about how you are pressured to be like the world similarly to Daniel.
