

human-I-T

YOU UPGRADE. WE UPCYCLE. WE ALL UPLIFT.

IT'S NOT JUST THE SMART THING TO DO.
IT'S THE HUMAN THING TO DO.

DONATE TECHNOLOGY, CHANGE LIVES

OUR MISSION

By reusing vs recycling electronics, human-I-T transforms e-waste into opportunities to promote digital inclusion and digital access by connecting low-income individuals and nonprofits to technology, internet, and digital training.

OUR ACCOMPLISHMENTS

Over \$800,000 worth of electronic equipment has been refurbished for distribution nationwide. Thousands of low-income families now have access to a working computer, while over 2,000,000 lbs of E-Waste has been diverted from landfills.

E-WASTE SERVICES

- Free Pickup or Shipping anywhere in the U.S.*
- Free Corporate Grade Data Sanitization
- Free Itemized Tax-Deductible Donation Receipt

OUR PARTNERS

Organizations such as Microsoft, LinkedIn, Google, USC, Beachbody, and Fortune 500 Animation Studios have been helping us fight the digital divide by donating technology, services, and products to human-I-T since our launch in 2012.

human-I-T is a 501(c)3
tax-exempt non-profit organization.

"human I-T simplified our electronic waste process, helping the environment and those in need. It is exciting to see our old equipment re-purposed and used to brighten the futures of others"

-Chad Lawver, Mammoth Resorts
