

PHYSICAL DESTRUCTION REPORT

Place of Origin: Company XYZ

This document certifies that the customer proprietary information located on the hard drives listed below is unrecoverable due to the physical destruction of the drive. The hard drives listed have been thoroughly destroyed and will be recycled in an environmentally sound manner via an R2 certified* organization. For data destruction processes and protocols, please see the last page of this document.

**(R2) certification, which is recognized by the Environmental Protection Agency (EPA), is a set of voluntary principles and guidelines designed to promote and assess responsible, legal practices for electronics recyclers. R2:2013 Standard – establishes responsible recycling (“R2”) practices for the recycling of electronics globally. By certifying to this Standard through an accredited third party Certification Body, electronics recyclers.*
