Education

UNIVERSITY OF WASHINGTON

September 2014–Present

Seattle, Washington

BDes Interaction Design Class of 2018

Employment

EMERALD CITY CHARTERS, Deckhand

May 2017–September 2017; May 2016–September 2016

Seattle, Washington

Sailed 70 foot racing sailboats in cooperation with a captain to provide a unique and memorable experience for passengers from all over the world. Consistently practiced teamwork and leadership skills in a high intensity environment.

DES MOINES MARINA, Sailing Instructor + Harbor Aide

June 2015–August 2015; June 2014–August 2014

Des Moines, Washington

Instructed kids ages 9-15 on sailing technique and theory; worked to make them feel comfortable and confident piloting their own boats while encouraging exploration of outdoor activities through learning and first-hand experience.

HIGHLINE PERFORMING ARTS CENTER, Stage Crew

September 2011–May 2014

Burien, Washington

As a leading back-stage hand at concerts, plays, and other events, I assisted in set building, lighting design, and operation of related equipment, while practicing high attention to detail to contribute to large productions.

Leadership

DELTA CHI FRATERNITY, President

Fall Term 2016

Seattle, Washington

Worked to unify 80+ members in a 108 year old student organization to develop and work toward common goals. Encouraged and aided executive team to set standards for success in areas such as academics, finance, and safety. Responsible for all external relations; liaison between Chapter and University.

DELTA CHI FRATERNITY, House Manager

September 2015–September 2016

Seattle, Washington

Utilizing past experience and problem solving skills, I was solely responsible for managing the physical property of a 15,000 sq. ft. house on a tight budget as well as working as an essential part of the executive team in leading the organization.
