

Family, Career and Community Leaders of America

FCCLA is Family, Career and Community Leaders of America. It is a student organization for students who have been enrolled in Family and Consumer Science (FACS) classes.

FCCLA members focus on making a difference in their communities by addressing important personal, work, and societal issues through FACS Education. Involvement in FCCLA offers members the opportunity to expand their leadership potential and develop skills for life-planning, goal setting, problem solving, decision-making, and interpersonal communication necessary in the home and workplace.

FCCLA holds meetings the first Wednesday of each month during the lunch hour. We attend leadership conferences, hold mixers, participate in fundraisers, and give back to the community.
