Each Pauls Valley student has a meal account that he/she may use at any time. Parents may prepay for meals to be purchased through this account. You may send money to your student's school at any time and it will be credited to their account.

For families needing assistance with lunch cost, free or reduced meal applications may be submitted at anytime during the school year. Those forms are available at all school offices, or may be downloaded from this link.

**Only one application is needed per family.**
