## ABC propose proactive schedule for April - June 2020 for Russia against COVID-19

Dear Valued Customer,

Taking the measures of resistance to COVID-19 spread, AirBridgeCargo Airlines (ABC) is ready to support our customers in the most effective manner using capabilities of our route network and offering delivery solutions for humanitarian shipments to Russia.

As never before we understand the importance of prompt humanitarian delivery such as masks, antiseptic medicine, pharma shipments, medical equipment, etc.

In connection therewith, ABC will guarantee top priority uplift for all humanitarian products on our schedule flights to Russia from April until it is needed:
