*God did not alter creation, we did. The Unaltered Tour is a movement defining God's original design of love, sex and life. We are challenging teens to embrace this truth and live with unaltered integrity and influence.*

### **How we do it**

***“You are not your own; you were bought at a price. Therefore, honor God with your bodies.”***

1 Corinthians 6:19-20

The Unaltered Tour is a two-hour concert-style event centered on the Gospel. Our team of young 20-somethings will speak truth into pornography, identity, sexuality, relationships and sex. Through relatable, authentic testimonies and performances our team will reach students where they are. We are committed to honoring God with our lives and sexuality – demonstrating what life unaltered looks like.

This outreach event is designed to be a resource for communities – to start the conversation. We lay a healthy biblical foundation that is a catalyst for continuing difficult conversations around these topics. At the same time, we desire to point all who attend towards Jesus Christ. Lives are transformed, and futures are forever changed.

This event also offers a helpful session for parents and leaders. We equip you with tools and resources about the attitudes and behaviors of today's youth culture, technology, pornography, peer influence and more. The goal of this session is to help you best navigate and support your student through their teen years.

Unaltered is more than an event, it's a lifestyle, a movement rooted in the Gospel. We exist to raise awareness of our culture's sexual brokenness, present the hope that is in Jesus Christ and reveal God's original design for love, sex and life. Join the movement, live unaltered.

***un·al·tered (adj): remaining the same; unchanged.***
