

Many students today are anxious, broken and confused, shaping their identity in likes, comments, affirmation, sexuality and more. This struggle for truth apart from God has left them grasping for a better life that always seems out of reach. **The Unaltered Tour is empowering a generation to know truth and experience freedom and flourishing through the Gospel of Jesus Christ.**

The mission of the UNALTERED Tour is to **“Lead students to fullness of life.”** We believe that God’s unaltered, unchanging design leads to human flourishing. Jesus said, *“If you hold to my teaching, you are really my disciples. Then you will know the truth, and the truth will set you free.”* (John 8:31-32).

The Unaltered Tour is a nationally touring youth event filled with engaging performances, dynamic worship and authentic testimonies that proclaim the fullness of life within God's unaltered design. We tackle real issues with honesty, humor and relativity through peer example and experience. It's a powerful message that inspires students to walk with Jesus Christ and find their identity and purpose in Him.

UNALTERED is more than an event – it’s a lifestyle rooted in the Gospel. Our team models the mandate to **“set an example for the believers in speech, in conduct, in love, in faith and in purity.”** (1 Tim 4:12) With boldness and conviction, this message challenges students to embrace 5 Anchors of living unaltered:

Speak Life. Live with Purpose. Love Selflessly. Trust God. Pursue Purity.

PARENTS are so crucial to this conversation! We believe God ordained parents to be the standard bearer of truth and faith for their families. Studies still indicate that despite the pressures of friends, google and social media, involved parents are the primary influence in their teen’s life. **A special parent session is offered at each Unaltered Tour event to inform and equip parents to effectively navigate today’s culture!!**
