

ATLAS

A Mobility and Accessibility Manufacturer

TITAN Stylish and
functional solution

ATLAS

High-rise features, Low-rise affordability

The Atlas TITAN commercial elevator offers stylish and functional accessibility solutions. The TITAN model provides the user with efficient and safe transport. A series of safety features, including; emergency stop buttons, emergency lowering hand-wheel, and safety detection sensors, offer peace of mind when operating the elevator.

The TITAN elevator is designed, developed, and manufactured to meet B-613, B-355, and ASME 18.1 regulation.

More detailed information is readily available by contacting your Authorized Atlas Dealer.

EASY AND SIMPLE

With our qualified technicians, your elevator can be installed quickly and safely.

SLEEK AND FUNCTIONAL
