

Hello Church Family,

Given the continually evolving situation regarding COVID-19, we wanted to send you an update on SVCC's ongoing plans. Since the situation is constantly changing we want you to **tune into the website and pay close attention to any messaging from us**. We are taking the situation day-by-day.

What's happening this Sunday?

For this Sunday, March 15, we are modifying services to be **online only**. This means you will be able to watch the service from home by going to our website at SVCCchurch.com and clicking on the video link on the home page. Until you hear otherwise, **please do not come to the Gilroy campus as this could put the church in violation of governmental bans of assemblies over 100 people. Currently, Hollister campus will be available for communion and prayer since San Benito County has less stringent requirements at this time.**

What's next?

Your church leadership is already discussing ongoing possibilities for worship, community, and ways we can support the church family and our neighborhoods as the situation changes. In the meantime, we ask you for patience and prayer. Patience with us as we try to transform our methods and allow our church family to thrive in the middle of this challenge. And prayer for the possibilities God will bring as this pandemic plays out. Some will suffer. Some will feel lost. As Christians, we are the ones who have the Good News that can bring salvation, healing, and hope.

If you need prayer, want to take communion, or if you are in the "at-risk" group and need help with shopping, or other activities that can help you avoid crowds, we are working on ways to help you. We want you to be safe, strong, and remember our King in everything.

Please reach out to us. You can contact your Campus Pastor or send an email to ChurchFamily@SVCCchurch.com.

We are called to love God and our neighbors, and we know not to be anxious and we know that God is on His throne. Please join us as we pray for the healing of the nations through His Son Jesus and for the opportunity to see His goodness reach people even in difficult circumstances like this.
