

TREE OF LIFE RECRUITMENT AWARD

ALEPH ZADIK ALEPH

BACKGROUND

The Tree of Life Recruitment Award is an honor given to those Alephs who have played a significant and lasting part in growing the Aleph Zadik Aleph. As a result of their efforts, they have contributed to the strengthening of our Order's future. Open to all Alephs in good standing, these young men leave a legacy in their Chapters, Councils, Regions and Countries – embracing a new generation to love, cherish and preserve the traditions of the Aleph Zadik Aleph and BBYO.

CRITERIA

To earn this award, an Aleph must have recruited at least six new Alephs to the International Order.

**If the applicant cannot meet the requirements above, but feels that he is deserving of the honor (i.e., lives in a community where demographics are an obstacle, but chapter growth is evident and celebrated; or he is in a BBYO chapter and has grown the chapter with new Alephs and B'nai B'rith Girls, etc.), he may present a case for his candidacy for this award in a short essay that is on the application.*

1. **Aleph Recruitment Information:** You will be asked to list the six Alephs you have recruited and the approximate date of their joining AZA.
2. **Staff/Advisor Approval:** Your application must be reviewed and approved in advance by your local staff member and chapter advisor.
