

ETERNAL LIGHT RECRUITMENT AWARD

B'NAI B'RITH GIRLS

BACKGROUND

The B'nai B'rith Girls' Eternal Light Recruitment Award is open to all B'nai B'rith Girls in good standing. It recognizes those BBGs who have played a significant and lasting part in growing the B'nai B'rith Girls. As a result of their efforts, they have contributed to the strengthening of our Order's future. These young women leave a legacy in their Chapters, Councils, Regions and Countries – embracing a new generation to love, cherish and preserve the traditions of the B'nai B'rith Girls and BBYO.

CRITERIA

To earn this award, a BBG must have recruited at least six new B'nai B'rith Girls to the International Order.

**If the applicant cannot meet the requirements above, but feels that she is deserving of the honor (i.e., lives in a community where demographics are an obstacle, but chapter growth is evident and celebrated; or she is in a BBYO chapter and has grown the chapter with new Alephs and B'nai B'rith Girls, etc.), she may present a case for his candidacy for this award in a short essay that is on the application.*
