Austria's most successful monthly seasonal magazine

Servus in Stadt & Land is dedicated to traditional living. Its focus is on seasonal rhythm, timeless beauty, the joy of life and the down-to-earth values that represent our homeland.

Best-selling cookery magazine of Austria

Regional delicacies, traditional recipes, seasonal flavours and tasty tips from Austria and the Alpine region – Servus Gute Küche is a high-quality, twice-yearly publication.

Children's magazine for little and large explorers

Servus Kinder is an exciting and inspiring magazine imparting knowledge to children in a playful way, while at the same time inspiring adults to view the world through a child's eyes.

Major gardening special from Servus in Stadt & Land

Servus Unser Garten – an extensive annual special from Servus in Stadt & Land – offers practical tips and fascinating features and is an authentic companion through the gardening year.

The interior home magazine from Servus in Stadt & Land

Servus Mein Daheim inspires with a wealth of ideas to create beautiful interior spaces dedicated to tradition, enriched with new ideas – as a standalone annual special of Servus in Stadt & Land.

Lifesytle magazine for anglers in the German speaking region

Fischers Fritz addresses all anglers – regardless of the way of fishing they prefer – who are dedicated primarily to enjoy the experience of nature. Fischers Fritz presents fishing grounds all over the world as well.

Experiencing the fascination of nature and the mountains

Bergwelten is devoted to nature and the beauty of the mountains of the Alpine region and all over the world. The magazine is aimed at everyone who likes to get out and enjoy nature.

Science and nature magazine in premium quality

Terra Mater offers fascinating stories with outstanding-quality photographs from the most interesting areas of the world. Rediscover the Earth on a journey around the globe – with a splendid magazine!

The international active lifestyle magazine

The Red Bulletin delivers high-quality content from the world of Red Bull and beyond. Covering sport, action, culture, nightlife, the focus is on high achievers and incredible endeavours that inspire, entertain and empower our audience.

The magazine for those changing our world

The Red Bulletin Innovator features the big topics of tomorrow with fascinating pictures, exciting infographics and intelligent interviews: innovation, technology and progress – new thinking, new things and new life.

Servus in Stadt & Land

Austria's most successful monthly magazine

Servus in Stadt & Land is showing on every page the beauties that represent our homeland: tradition, nature, handicraf, the joy of life and pleasure. No matter where our readers are at home, everyone can satisfy their desire to find their own roots.

Servus in Stadt & Land is something to be enjoyed, because it inspires readers to pause and reflect on the important things. And not just casually, but at leisure. Every month – EINFACH . GUT . LEBEN

Servus Gute Küche

Best-selling cookery magazine of Austria

Whether at home, on a trip to the country or on holiday, regional delicacies are popular – and Austria and the Alpine region boast so many of them it's almost impossible to try them all. Friendly and down-to-earth, Servus Gute Küche whets the appetite for good food over 168 pages.

In these tales of enjoying fine food, we peek into the cooking pots of traditional inns, discover culinary rarities, enjoy the vibrant range of seasonal flavours, are impressed by passionate food artisans, immerse ourselves in indulgent food odysseys and are inspired by traditional recipes and tasty tips.

The Red Bulletin Innovator

The magazine for those changing our world

The Red Bulletin Innovator is targeted at everyone who wants to understand how the world of tomorrow will work, and learn more about the people creating it. What drives them, who gives them wings, and where do they get their inspiration?

The interview features in The Red Bulletin Innovator go deeper and beyond the comfort zone. Behind every great idea is a person with vision. In this magazine they tell their stories of tomorrow, and talk about the latest in innovations, technology and entrepreneurship.
