Dear Friends:

As Mayor of the City of Detroit, it is my pleasure to welcome you to our beloved city. We are honored to welcome all in attendance at the 45th Annual Convention of the National Society of Black Engineers.

The theme for this year's convention is 'Explore. Engineer. Elevate.'. Detroit is a dynamic city with countless new developments and career opportunities. EXPLORE the ways in which you can positively impact your community. ENGINEER the future by learning a new technical skill or participate in an interactive discussion about challenges in the industry and in our communities. ELEVATE the accomplishments of your members who are leading spaces in STEM.

The City of Detroit is confident that you will find the Cobo Center a perfect setting for the 45th Annual Convention. While you are here, I invite you to enjoy all that our city has to offer and I encourage you to visit our riverfront, museums, restaurants, and explore the heart of Detroit.

On behalf of the City of Detroit, welcome to Detroit!

Sincerely,
