Thank you for choosing Kinsu.

We understand how important it is to have peace of mind when it comes to protecting your treasured possessions. We are here to take care of that for you.

The information you have given us forms part of the contract of insurance, and this document is evidence of that contract. Please take a moment to read it so that you are satisfied and understand the extent of the insurance.

## Making a claim on your insurance

---

Please notify Kinsu as soon as you think you might have a claim, either through the Kinsu app or on 03448561962. You will be told what information to provide us and what to expect next.

Where necessary, we will arrange for someone to contact you as soon as possible to discuss your claim. This person may be one of our own claims staff or an independent Chartered Loss Adjuster.

If there has been malicious damage, theft or attempted theft, you need to tell the police. We will need a crime reference number to process your claim.

We aim to settle your claim as quickly and fairly as possible. We will assess your claim and then decide whether to repair, replace or pay for any lost or damaged item(s), other than for mobile phones under two years of age where you can decide whether we repair, replace or pay for the mobile phone less any applicable excess.
