

Please share your child's emergency contact, health, and safety info with your school today

1. Open your Chrome browser. To download Chrome, go to google.com/chrome.
2. Go to app.mybluecard.org/register.
3. Complete and submit the registration form.
4. Tap "Add A Child" to create a BlueCard for your child.
5. When done, tap "Share this BlueCard" and search for your school.
6. Tap "Share BlueCard" next to your school, sign and send.

Log back in to update your info anytime, from any device. Your school will see your changes instantly.
