Copper Studio is a rental space available for video production, photography, events, and more. The facility features a 30 x 30 ft. studio with high ceilings, a well-equipped edit suite, sound booth, makeup/dressing room, conference room, client lounge area, full kitchen, and patio with BBQ.

Use the studio—bring your own gear or rent from our grip, lighting, sound, and camera inventory. Shoot on location—equip and rent our production trailer. Coordinate production—we can provide producers, directors, crew, talent, and more.

Copper Studio is located in beautiful Southern Oregon with convenient access to the airport and hotels. We invite you to explore the space.
