

WHAT IS AN INTRAOCULAR LENS?

An intraocular lens, or IOL, replaces the natural lens of the eye to restore vision after a cataract has been removed during cataract surgery.⁴

The Benefits of

TECNIS SYMPHONY® INTRAOCULAR LENSES

Extended Depth of Focus (EDOF)

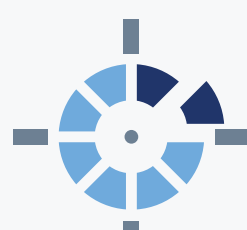

TECNIS Symphony® Multifocal EDOF Lenses help you to enjoy clear, crisp intermediate and distance vision with less reliance or use of glasses, and may mitigate the effects of presbyopia by also helping you to focus on near objects.

TECNIS Symphony® Multifocal/Toric EDOF Lenses allow you to treat your cataract and astigmatism in one procedure and have the same benefits as the above Multifocal EDOF Lenses.

TECNIS Symphony® EDOF Intraocular Lenses:

Provides a Full Range of Vision at any Distance

Corrects Chromatic Aberration and Enhances Image Contrast, and **Can Correct Astigmatism.**

Elongates Focus and **Increases Depth of Field**

Reduces **Need for Glasses**

Low incidence of visual symptoms, **including halos, glare, and starbursts**

CHOOSING THE RIGHT LENS

Symphony® Multifocal EDOF IOL

A lens with Extended Depth of Focus (EDOF) designed to correct cataracts and presbyopia in order to provide a full range of vision.

Near ☒ Intermediate ☒ Distance ☒ Astigmatism ☐

Symphony® Multifocal/Toric EDOF IOL

A lens with Extended Depth of Focus (EDOF) designed to correct cataracts and pre-existing astigmatism, providing a full range of vision.

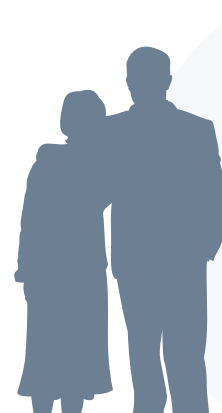

Near ☒ Intermediate ☒ Distance ☒ Astigmatism ☒

DID YOU KNOW?

24

MILLION AMERICANS currently have cataracts^{2,3}

90%

OF PEOPLE will develop cataracts by age 65^{2,3}

98%

OF PEOPLE have better vision **after cataract surgery**^{2,3}

40%

OF PEOPLE with cataracts also require **astigmatism correction**^{2,3}

Most people are born with some degree of astigmatism.^{2,3}

85%

OF PATIENTS

with the TECNIS Symphony® IOL **wore glasses none or a little bit of the time**^{*2}

- ☒ Sharper Vision
- ☒ Enhanced Functionality
- ☒ Long-Term Sustainability

IS THE TECNIS SYMPHONY® EDOF IOL RIGHT FOR YOU?

A multitude of factors need to be considered when approaching cataract surgery, and both you and your ophthalmologist should work together to determine which **Tecnis Symphony® EDOF IOL** is right for you.

For more information about **TECNIS Symphony® IOLs**, please call us at **843.664.9393** or visit our website at **www.ccfs2020.com**
