Oklahoma School Plant Management Association Newsletter

JANUARY 2020

41st Annual Convention Another Success & 42nd in Planning!

We would like to thank each of the participants at the fall convention. Attendance was up from previous years and we had a full slate of vendor booths. The change in location was a hit as was the Wednesday night bar-b-que. The scholarship golf outing was a success with the course being in outstanding condition. The breakout sessions were timely, well attended and informative. If you didn't get to hear Jon Harper, SDE Director of Safety and Security you missed a real treat. A very motivating message given by someone who understands and believes in what we do each day. Don't miss next year's convention, the information is below. Remember, by registering for the 2019 convention you are member of OSPMA until June 30, 2020. Membership entitles your school to discounts at workshops/training seminars and when purchasing Safety Programs for next year.

The Board of Directors has set the date and location for the 2020 conference! Next year's conference will return to Lake Murray State Park, Ardmore, OK on September 23 and 24 with the Jim Shields Scholarship Golf tournament on the 22nd at the Lake Murray course.

Mark your calendars and plan to attend.

If you have any suggestions for breakout sessions or ideas for making our conference better, now is the time to speak up. Just contact our Executive Director Charlie Womack or any of the board members listed on the right side of this page and let us know what you think. We are listening!

INTRODUCING YOUR 2020 BOARD of DIRECTORS

PRESIDENT: Jared Griffin, Pontotoc Technology Cntr. 580-320-0507
jgriffin@pontotocotech.edu

VICE PRESIDENT, PRESIDENT ELECT: Jay Evan, Francis Tuttle Tech Cntr, jay.evans@francistuttle.edu

The OSPMA Winter Training Seminar is set for Feb.19, 2020

Moore Norman Tech Center Penn Campus 13301 S Penn Ave, OKC

FREE to ALL attendees

That's right, member schools are free, and for this training non-member schools are also free, thanks to our vendor sponsors Manhattan Construction, Interface, Firetrol, Bare Metal Standard, Red River Specialties and Empire Paper. We'll have sessions covering "Turf and Ornamental pesticide application and safety in and on sensitive areas" and "Introducing Technology into Daily Cleaning" in the morning followed by a free lunch provided by our vendors from

Ted's Café Escondido

After lunch from Ted's we will be offering "Stop the Bleed" Training and certification for EVERYONE!

How do you sign up for free training, Stop the Bleed certification and a great lunch from Ted's?

Just fill the registration form below and return it to the address shown or email to: director@ospma.org

But do it now!

SPACE IS LIMITED

We will be offering this opportunity to ALL Oklahoma Public Schools around Jan. 28, 2020 and space is sure to go quickly

Lunch from Ted's will be furnished by our generous vendors listed above

WHAT'S NEW AT THE OSPMA

- The board is currently finalizing plans for the summer training seminar and working on the agenda for the fall conference. If you have any ideas to improve these items please let us know.
- The OSPMA will be returning as a member of the National School Plant Management Association in 2020. Beginning with the 2020 conference registration all OSPMA members will automatically be NSPMA members
- The OSPMA, in conjunction with the State Department of Safety and Security and the NSPMA are working on developing a certification process for school plant managers. Our hope is that by doing this we can establish minimum requirements that will help administrators to find competent, qualified personnel for plant management and operations positions and to advance current plant and operation managers not only in Oklahoma but also nationwide. The goal is to make this available to our membership by the end of this year. Stay tuned for more information on this subject

DON'T FORGET YOUR OSPMA VENDORS!

The vendors listed below have invested their time, efforts and money in support of OSPMA and Oklahoma Schools. Please be sure to include them when purchasing supplies and services for your school. They have shown their support for what each of you does everyday and have earned your consideration
