OSPMA ANNOUNCES APRIL ZOOM TRAINING TOPIC AND DATE

In an effort to help our members deal with the issues they face each day operating schools we are planning a series of zoom meetings, addressing the needs of our members. The next meeting is scheduled for

April 16th at 10am.

It will be a panel discussion relating to construction site development. Areas of discussion will include but certainly won't be limited to; construction site develop, administration and voter buy in, benefits of a long range plan and how to develop one, staff requirements, and how preventive maintain affects long range planning. Again we will have a panel of facility managers from public schools and Tech Centers throughout the state along with a representative from the State Dept. of Education available to answer any of your questions and provide insight. If you have a particular question or situation relating to new construction you would like to discuss please let us know in advance and we will be sure to included your concern in the training. The meeting will be open to any Oklahoma public school or Tech Center who would like to attend via zoom. The ZOOM sign in information will be provided in coming communications from the OSPMA so be watching your in box.

Don't forget the **Fall Conference, at Lake Murray State Park September 22nd and 23rd, with the Jim Shields Scholarship Golf Tournament on the 21st.** Rooms at the lodge are limited so get your reservation in as soon as possible. Be sure to tell them your are with the OSPMA to insure you get the state rate.

MEMBER REMINDER:

The board will be having our planning meeting for the fall conference in April. If you have an idea or breakout topic you would like for us to consider please let us know. We are here to help YOU so we need, and encourage your input. for any supplies or advise you might need.

Remember, your OSPMA vendors are here to assist you in any way they can. Don't be afraid to reach out to them for material and advise
