## EXPERIENCE

### SimTigrate Design Lab | Graduate Research Assistant (GRA)

Atlanta, GA | May 2019 - Present

Applying evidence-based design to improve healthcare worker workflow and personal safety. Research methods include simulation studies, usability tests, and personnel interviews.

### THRIVE | UX Consultant

Atlanta, GA | May - August 2019

Worked with major surgical-system corporation to develop high-level concept envisioning the "operating room of the future." Developed rapid screen concepts and information display components, and worked closely with UX team and client to iteratively refine the concept.

### Johnson & Johnson (Ethicon) | IDHF Co-Op

Cincinnati, OH | May - August 2019

Collaborated with engineering and design teams to improve ergonomics, conduct human factors assessments, and participate in usability testing for endoscopic surgical tools and procedures.

### GE Appliances | Industrial Design Intern

Louisville, KY | May 2017 - May 2018

Developed new products and features for consumer appliances within business, manufacturing, and VBL constraints. Assisted with development of next-generation refrigerator and water heater interfaces, including interface prototyping and iterative usability testing.

## CERTIFICATIONS

**HIPS for Biomedical Research Investigators** | CITI Program #: 31651516 | May 2019 - May 2022

**Social / Behavioral Research Investigators and Key Personell** | CITI Program #: 31651515 | May 2019 - May 2022

**CPR / First Aid / AED** | Red Cross #: 11KA19 | Feb 2018 - Feb 2020

## SKILLS

### Design

Wireframing; UI prototyping;  
Storyboarding; Rapid prototyping  
Journey mapping; Sketch; Figma; Axure  
Adobe CS; Photoshop; Illustrator;  
3D modeling; Rendering; Arduino

### Research

User interviews; Contextual inquiry;  
Affinity modeling; Surveys

### Hobbies

Furniture; Waxing philosophic;  
Coffee

## EDUCATION

### Georgia Institute of Technology | 2021

M.S. Human-Computer Interaction

### Auburn University | 2019

B.I. Industrial Design

## INVOLVEMENT

### AU ID Mentor

Auburn University | 2018-19

### Habitat for Humanity

Volunteer | 2017 - Pres

### Collaborative Study Abroad

Ireland | Spring 2016

## AWARDS + RECOGNITION

### 1st | "Hack-the-Home" Hackathon

FirstBuild | 2017

*48-hour event that resulted in a new kitchen appliance concept for GE Appliances.*

### 1st | Designing Green

Auburn University | 2017

### Core77 Feature

"Duit: An Overdue..." | 2017
