Capability	Description of Capability	Costs or Fees	Contractual Limitations	Technical or Practical Limitations
Immunization Registries  2015 Edition Certification Criteria: 170.315.f.1 – Transmission to Immunization Registries	<p>Capability to submit electronic data to immunization registries or immunization information systems except where prohibited, and in accordance with applicable law and practice.</p> <p>Capability to query immunization registries or immunization information systems for history, forecast, and message status, except where prohibited, and in accordance with applicable law and practice.</p>	<p>The EP or EH can expect to pay a flat monthly subscription fee until they reach a pre-defined number of users. Once that limit is reached, a monthly fee per provider or per location is charged in addition to the existing flat monthly fee. In addition, there is a one-time setup fee charged per provider only for registry submission services. There is no additional setup fee charged for registry query services.</p>	<p>If the EP or EH operates in a jurisdiction for which no immunization registry or immunization information system is capable of accepting the specific standards required for CEHRT.</p>	<p>Limitations based on the users jurisdiction/state's ability to accept immunization submissions and/or allow query functionality of the registry database.</p>
Syndromic Surveillance Registries  2015 Edition Certification Criteria: 170.315.f.2 – Transmission to Public Health Agencies – Syndromic Surveillance	<p>Capability to submit electronic data to public health registries that accept the applicable data type except where prohibited, and in accordance with applicable law and practice.</p>	<p>The EP or EH can expect to pay a flat monthly subscription fee until they reach a pre-defined number of users. Once that limit is reached, a monthly fee per provider or per location is charged in addition to the existing flat monthly fee. In addition, there is a one-time setup fee charged per provider for registry submission services.</p>	<p>If the EP or EH operates in a jurisdiction for which no public health registry is capable of accepting the specific standards required for CEHRT.</p>	<p>Limitations based on the users jurisdiction/state's ability to accept syndromic surveillance submissions.</p>
Reportable Laboratory Tests and Results Registries  2015 Edition Certification Criteria: 1170.315.f.3 – Transmission to Public Health Agencies – Reportable Laboratory Tests and Values/Results	<p>Capability to submit electronic data to public health registries that accept the applicable data type except where prohibited, and in accordance with applicable law and practice.</p>	<p>The EP or EH can expect to pay a flat monthly subscription fee until they reach a pre-defined number of users. Once that limit is reached, a monthly fee per provider or per location is charged in addition to the existing flat monthly fee. In addition, there is a one-time setup fee charged per provider for registry submission services.</p>	<p>If the EP or EH operates in a jurisdiction for which no public health registry is capable of accepting the specific standards required for CEHRT.</p>	<p>Limitations based on the users jurisdiction/state's ability to accept reportable laboratory tests and result submissions.</p>
Cancer Registries  2015 Edition Certification Criteria: 170.315.f.4 – Transmission to Cancer Registries	<p>Capability to submit electronic data to public health registries that accept the applicable data type except where prohibited, and in accordance with applicable law and practice.</p>	<p>The EP or EH can expect to pay a flat monthly subscription fee until they reach a pre-defined number of users. Once that limit is reached, a monthly fee per provider or per location is charged in addition to the existing flat monthly fee. In addition, there is a one-time setup fee charged per provider for registry submission services.</p>	<p>If the EP or EH operates in a jurisdiction for which no public health registry is capable of accepting the specific standards required for CEHRT.</p>	<p>Limitations based on the users jurisdiction/state's ability to accept cancer related data submissions.</p>
