

## AFTER-READING ACTIVITY

# *An unlikely pair comic strip activity*

**DIRECTIONS:** We want you to create a comic strip — in French!

1. Look at these sentences that come from *L'Oiseau et la Baleine*. Translate them into French. You can use the story for help.

ENGLISH	FRENCH
"Come with me."	
"I will follow you anywhere."	
"I love you."	
"You would never be happy here."	
They said goodbye.	
They never forgot each other.	

2. **Now it's your turn to write your own story!** Pick a different unlikely pair of animals that might fall in love. On a blank sheet of paper, draw a comic strip that tells their story. Then, decide which of the sentences (above) work in your story. Add the translated sentences from the chart above into your comic strip as speech bubbles or captions. Woohoo! You have your very own foreign-language comic strip!
